

Class Descriptions

Rug Ratz: This is a 30 minute class for 2 year olds teaching very basic ballet steps, dancing with props, and learning to listen and dance with friends. Children will need ballet shoes for this class.

Pre Dance: This is a 45 minute class for 3-4 year olds teaching the basics in ballet & tap. They will also dance with props and learn proper ballet terms. Children will need ballet & tap shoes for this class.

Dancin' Tots: This is a 60 minute class for 4-5 year olds teaching the basics of ballet & tap for a little bit older dancers who are ready for more time in the dance studio. This is the next level class after Pre dance. Children will need ballet & tap shoes for this class.

Intro classes-: Intro classes are designed for beginner level dancers ages 4-6 years old. These 60 minute classes are for kids who want to try a few different styles of dancing and not commit to just 1 thing. You will need proper shoes for this class (example: intro to ballet/jazz needs both ballet & jazz shoes) Children will learn basic technique and learn proper terminology.

Beginner classes: These 45 minute classes are designed for 4-7 year olds with little to no experience who are ready to learn the basics in several different styles of dance. We offer beginner classes in jazz, ballet, tap, and hip hop. This is a great place for dancers to start their education.

Musical Theater: This 45 minute class introduces character dance and learning how to dance in heels. This class will incorporate Broadway style music & dancing and teach the importance of the basics of acting in your dance performing. You will need to purchase either Pedini Femme shoes or character shoes for this class depending on your level.

Must take at least one other additional technique class (jazz or ballet) to participate in this class

Lyrical: This is a 45 minute class teaching a combination of ballet & jazz technique. We work on a lot of strength & stretching in this class as well as learning how to dance beautifully to the lyrics of songs. They will need jazz shoes for this class.

Tricks & Turns: This 45 minute class is designed for intermediate -advanced level dancers wanting to work on stretching, different styles of turns & jumps as well as basic tricks for dancers. They will need jazz shoes for this class.

Modern/Contemporary: There are 2 levels for our modern program. The level I/I is designed for advanced beginner-Intermediate level dancers and the II/III class is designed for advanced dancers. This is a class for dancers wanting to expand their dance background to the newest & one of the hardest style of dance. Modern is a fantastic style of dance for any well rounded dancer to have a background in and we are very excited to offer it at our studio. Dancers will dance barefoot for this class.

Beginner Level- No experience necessary- This is a 45 minute class for beginner level dancers for ages 4-6. Be sure to have the proper shoes for whichever class you take

Level I- No experience necessary-This is a 60 minute class for beginner level dancers for 7-12 yrs. Be sure to have the proper shoes for whichever class you take.

Level I/II- Dance experience is required-this is an intermediate level program

Level III/IV-Extensive dance experience is required-this is our advanced program.

Teen classes- Little to no experience for these classes-this is a beginner level for 13+ yrs

We also have an extensive ballet & jazz program ranging from beginner -advanced levels for all different ages. Please call the studio for any additional questions or information on our program. Please be sure you have the appropriate dance attire & shoes for your classes.
