- Cost-Effective Implementation of Alarm & CCTV Systems, Safes & Vaults
- Other Theft Deterrent Devices

### *Emergency Planning*

- Insurance / Risk Management
- Safety / Emergency Programs
- Specialized Programs for Armed Robbery & Break-in Prevention

## Our Company Background

The Sapphire Protection team is comprised of senior level Loss Prevention, Audit, Safety, and Risk/Emergency Management executives possessing strategic, tactical and multi-jurisdictional experience in the Cannabis, Retail and Financial Loan Service industries. Additionally, we have crisis management and communication professionals on our team with backgrounds in government technology, training, project management and marketing in the cyber-security and physical security arenas.

## Our Senior Director

Tony Gallo is the Senior Director of Sapphire Protection with over 30 years in the Loss Prevention, Audit, Safety, and Risk/Emergency Management fields. For 17 years, Tony was the Director of Loss Prevention and Safety for EZCorp which has over 1,300 financial loan service locations in the United States, Mexico and Canada. Tony has a Bachelor of Science degree in Criminal Justice from New Jersey City University and is a member of the National Cannabis Industry Association, Americans for Safe Access, American Society for Industrial Security and the Loss Prevention Foundation. Tony is a published author, speaker and considered one of the leading authorities in cannabis and financial loan service loss prevention, armed robberies, smash and grabs, and burglary investigations.
