Treat your skin to one of our rejuvenating therapies at our Westville office

Feel free to contact us for a consultation prior to a treatment

1

### CHEMICAL PEELS

A chemical peel is a great idea for pigmentation, acne, fine lines and overall revitalisation of the skin.

Give your skin a healthy glow!

2

### MICRONEEDLING

This is a fascinating new technology used to treat pesky wrinkles, acne scars, pigmentation, stretch marks and cellulite. Microneedling for hair loss will soon be offered at our practice.

3

### BOTOX®

When injected by a trained professional, Botox® can make a world of a difference to your facial expression. Enjoy being frown-free!

Botox® for excessive sweating is also offered.

4

### DERMAL FILLER

Subtle filler injections can enhance your natural features. We suggest a little lip filler to correct asymmetry or thin lips. It can also be used to fill deep wrinkles giving a more youthful appearance.

5

### ACNE CARE

The dreaded pimple has left many of us distraught before a special occasion! Let us evaluate your skin and provide you with advice and skin care products to suit your needs.

*All general medical concerns are also treated at this practice. Give us a call to set up an appointment.*
