

Word & Life Worship

Word & Life Worship started off as a youth band of Word and Life Church. Later on, the Youth band started to serve in 4 different services throughout the week. This then resulted in making the team the official Word and Life band.

The Team grew quickly and knew that one of the main ideas was to create and play their own music. They started with their first project called "Glorious" featuring 10 original songs produced by Stass. Glorious was a live CD /DVD and was released on the 29 October 2010. Their song "Higher" written by Chantel Ackerman also features on the compilation album "PEACEMAKERS"- the official CD of Godly Revolution 2010.

Since the release of their first album W&L Worship has appeared on **Kyknet's DKNT Gospel** and has had interviews with various radio stations. W&L Worship also featured in an article in **Vroukeur magazine**.

With the success of their first album they recorded a second album. Their second worship album is called "SING OF HIS LOVE" and features 11 original songs on CD and a bonus DVD with sermons, behind the scenes interviews and the "Let me hear you say" music video. The CD was launched on 24 July 2011.

They were **nominated** for an award in the category "**Best worship song**" at the **2011 SABC Crown Gospel Music Awards**.

Word and Life Worship had the privilege to record their third latest album (second live album) with producer and recording engineer, Danny Duncan and Mark Townsend from Nashville Tennessee and Houston Texas America. Word and Life Worship released their latest album FREEDOM on 31 August 2014. This album featured nine original songs, 2 songs that were written for this album and one of our favourite worship songs 'Break every chain'. This album **won the award for best gospel DVD** at the **SABC Crown Gospel Music Awards 2014** and has been **nominated for 'Best Contemporary Faith Music Album' at the South African Music Awards (SAMA) 2015**.

Word and Life Worship recently conducted an interview with **SABC 2's Salted** and it will air April/May 2015.

In 2015 they are touring throughout South Africa, at various churches and events launching Freedom.

Word and Life Worship are privileged and blessed with opportunities to spread the gospel through South Africa with passionate praise and worship. Their main focus will always be serving their local church with anointed praise and worship. Sharing their music and gospel with the rest of the world is definitely one thing they won't hold back on.
