Security Code: _____ Expiration Date: _____ Billing Zip Code _____

Cancellation Policy

The decision of the captain, with your safety in mind is final!

***Weather related cancellations shall be rescheduled if possible or deposit refunded.**

Since we don't take clients out when the fishing has been bad & no change is expected, or when the weather is unsafe, we have a very limited season. Since we, thankfully, have a very long satisfied client list, once you book your date we inevitably turn clients down for that date and expect to take you on the date YOU booked. It is very hard to re-book that date on short notice and never works out well. So please make sure you understand the policy and ask before you sign it, if there are any questions. Thanks! ~ Capt. Frank/Anthony

***Please Call at Least One Day Before Your Trip For Final Weather & Time**

Cancellations made by the client are subject to the following cancellation guidelines:

Cancel Made By Client

30 days or more before charter - Charter Rescheduled or refund given.

If rescheduled within 1-year - credit given

14 days prior to the charter- \$350 Cancellation fee is due

7 days or less, before charter -. Full payment due.

minus \$350.00 cancel fee.

Signature__

I agree to and understand the terms and conditions of the cancellation policy.
