Splits must be paid in FULL before splits are ready and is non-refundable unless we cannot deliver the product.

These are live animals, so special care must be observed. When we choose the pickup date and time, you MUST be here to pick your nuc(s) up. If you cannot make it, make arrangements for someone else to pick them up. If you do not pick your bees up at the designated date and time, we will attempt to sell your bees to the backup list and you will forfeit your payment. No refund will be given.

Splits will come in either a corrugated box or in a hive that is ready to transport and set in its new location. The corrugated boxes are NOT meant to house bees for any length of time; get them into your hive. If they get too hot, the bees will die.

We generally give customers 4 to 7 days notice of when the pickup date and time will be. Because weather plays a role in this process, dates and times may change, so please have a backup plan in the event the date changes and you may have to work, etc.

We guarantee that the bees you purchased will be healthy. Once you leave the premises, there are no further guarantees, refunds, trades, etc. Feel free to inspect your bees on premises, if you wish, to ensure your bees are to your liking.

Payment must be made for your bees, in full, before your order is confirmed. Once you have made your payment, you cannot cancel. There are no refunds, trades, cancellations for any reason. If you pay for your bees over the phone via Credit Card, you acknowledge and agree that your signature below confirms your order for this product and that you authorize your card to be charged for such purchase.

This form must be filled out, sign and returned to us with full payment before your order is finalized.

All orders are a first come, first serve. We sell out every year, so we suggest getting on the list as soon as possible. We will also have a backup list once we reach our limit, in case someone doesn't pick their bees up at the designated date and time. Beekeeping is not an exact science and in the event we cannot deliver the nuc(s) you purchased, a full refund shall be the sole remedy.

The above policies are meant to ensure you get quality bees and we are able to carry through with our commitment to make these hives up.
