In the case of cancellation of the participation up to 30 days before the start of the event, the cancellation is free of charge. Cancellations made between 30 days and 15 days prior to the event are charged with a processing fee of 50% of the participation fee. In the case of later cancellations, the entire participation fee will be charged. Cancellation is required in written form. A substitute participant of the same company can be named at any time without any costs.
