

A non-profit breast cancer foundation supporting research in the Pacific NW, benefiting women everywhere.

actually, we CAN...

Please help me raise funds for breast cancer research

Dear _____

On Sunday, September 9, 2012, I will be tossing my bra at the finish at the 1st Annual Wings of Karen [5K Bra Dash](#). 100% of the race proceeds and EVERY PENNY of funds raised will go to breast cancer research in the Pacific NW. So even though I am not required to fundraise, I want to support this important work that is saving lives and helping those who need it the most. That is why I am asking my friends and family to contribute.

Please make a donation and let's finish breast cancer together!

There is a donation form on the back of this letter. Your donation is 100% tax deductible and Wings of Karen will send you a tax receipt.

Thank you so much for contributing

Sincerely _____

[Wings of Karen](#) is a non-profit breast cancer foundation supporting research in Pacific Northwest. Launched this year, Wings of Karen is proud to support the breast cancer research and clinical program of the Seattle Cancer Care Alliance, a powerful collaboration between UW Medicine and Fred Hutchinson Cancer Research Center.

Please find us on the web at www.wingsofkaren.org, on [facebook](#), and on the following media outlets: [Nexus \(Seattle Cancer Care Alliance\)](#); MyNorthwest.com
