

You've just woken up.
Now jump out of bed
with thoughts of a bunny
filling your head.
Sneak to the kitchen,
and look all around.
You'll find something sweet
low down on the ground.

Now off to the room
where your clothes can get clean.
Believe it or not,
this isn't a dream.
Just ask mom or dad
to open the door...
in a dryer for clothes
something special's in store!

Down to the basement...
Watch out, not too fast!
I know this is fun,
and you're having a blast.
If you sneak there on tip-toe
as quiet as mice
you're sure to find something
that's really quite nice.

Now don't you feel thirsty?
All this running about
must make you feel ready
to drink the milk out.
So open the fridge,
and guess what you'll see.
It's another sweet treat
from your favourite bunny.

Let's head to the bathroom
where teeth you will brush.
And remember, it's Easter,
you're in quite a rush!
You'll find a surprise...
something great, something fun.
Now go get a move on!
It's time to just run!!

Go to the place now
where you keep your clothes.
You'll find sweet aromas
to tickle your nose.
So follow your nose
to a nice smelling treat.
It's gum you can chew on.
Oh isn't that sweet?

Next to the tub
where you wash yourself clean.
Peak in, keep it dry,
if you know what I mean.
You don't want to turn on
the water just yet.
You'll like what you find
in the tub, I'll just bet!

Out of the house,
and into the car...
Don't worry,
you don't have to look very far.
You'll find something nice
On the driver's own seat.
But be careful, you don't want to
squash this next treat!

Now back to the place
where you slept through the night.
It's now Easter morning
and beautifully bright!
Scrunch down, way down low.
Peak beneath something big.
Grab hold of a treat
and dance a small jig.

Then to the place
where you find all your socks...
I'm sure that's a place
where I left a nice box!
Rummage around
'till you find it in there.
I hope it's not smelly
for your sake, my dear!

The freezer is quite a cold place,
you will find.
But nevertheless,
I'm sure you won't mind!
Go open the freezer,
and look in the door.
You'll find something that
you haven't seen there before.

Now to your coat...
Tell me, how can it be?
Deep in a pocket
treats from a bunny?
Go find your jacket!
Quick, don't delay!
You're going to like this small treat
I do say!

To the computer...
Say, which one is better?
Technology time
or lovely, warm weather?
Pass that computer,
and head right outside
to check on your bike
with it's very smooth ride.

Okay, so technology
might have a place.
As long as it's not always
right in your face!!
Back to the computer,
but search carefully.
This little treat's
not easy to see!!

Off to your school bag...
Oh yes, it is true.
There's something inside there
just waiting for you!
You might have to dig,
and search all around.
Be persistent! Keep looking
until this treat's found.
