A 114 mile motorcycle run on the twisting, curving back roads of Mason County.

This is a great ride to bring the kids on, with the majority of the route speeds 45 MPH or less. The start and end point is a great restaurant with a full menu. Ice cream and refreshments are available at the 42 and 70 mile check points.

Donated prizes include gift certificates as well as new and gently used items.

Riders are encouraged to bring additional prize donations.

(Please bring only items that fit into a saddlebag. "Guy stuff" is appreciated.)

For more information, contact Don at 360-372-2542.

Adopt-A-Pet is a 501c3, non-profit, all volunteer dog shelter that cares for unwanted and neglected dogs. In 2015, they found loving families for 323 wonderful dogs.
