Elevations Co-operative Inc.

Project plan

Purchase shares in lots offered by our member partners in Kenya.

Hold for 7 years before realizing the gains. Utilize vehicle as low entry level opportunity to engage youth to participate in Elevations Co-operative projects and programs

Membership

Membership in Elevations is changing and building lasting destinies

Qualifications

Any one 16 years old and above can be a member with the payment of a onetime lifetime membership share registration fee

- What is Elevations Co-op?
It is a vehicle for personal and community empowerments
- Who is an Elevations member?
An Elevations member is an investor, an entrepreneur, a consumer and a philanthropist.
- Where is Elevations Co-op headquarters located?
Toronto, Canada
- Why does Elevations Co-op Exist? Elevations Co-op has the capacity to unite people groups for higher purposes through the spirit of togetherness. \$8,000,000 authorized share capital.
- When was Elevations formed? Elevations was formed on March 5 2014

Use of proceeds

- To finance Co-op members objectives
- To raise sustainable operating cash flows for the Co-op

Risks

- No market outside the Elevations Co-op exists where shares may be sold,
- Tax responsibility on dividend income is on the recipient
- Minimum holding period 5 years
- Currency risks such as interest rates impact

Risk mitigation:

- Co-op can redeem membership shares per our bylaws.
- Members can sell their shares to other members
- The Co-op will diversify its products and services offerings

Project Participation

Only members can participate in this by purchasing at least one life time membership at \$200 and subsequent redeemable membership shares from \$1000 membership form is available at this link copy and paste in your browser
