

YOU HAVE EXPERIENCED
THE TEARS OF THE *first day*
OF KINDERGARTEN AND THE
last day OF HIGH SCHOOL.

KIDS OFF TO *college*? AN EMPTY *seat* AT THE TABLE? A *clean* AND *quiet* HOUSE?

Take a walk down memory lane to remember:

- Baking cookies for the entire marching band and there was flour all over him and the kitchen floor
- The first day of middle school when he was lanky and awkward with braces and a bad hair cut
- His cute chubby face in the ninja turtle Halloween costume

It's time to get all of those memories organized and your favorite ones displayed.

Let Forever help you Collect, Curate, and Celebrate all of your child's special memories.

COLLECT

Order a Forever Box

Gather all of that special memorabilia that tells his story and has made him the man he is today:

- Photos that are hanging in his room
- Treasured items packed away in his memory box
- Newspaper clippings, awards, and certificates

Download the Forever Phone App:

- Take photos of awards, certificates, trophies, playbills, and report cards.

Open a Forever Account in your child's name:

- Upload photos from your child's life.

CURATE

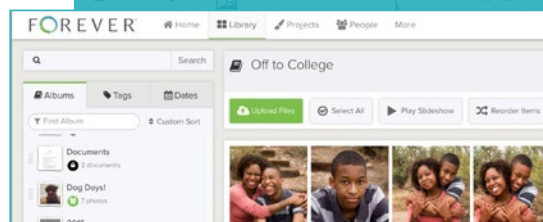

Organize in the Forever Library:

Create Albums and Tags to tell the story behind special photos. Organize into a few simple categories like Birthdays, School Days, and Activities

Once your Forever Box has been digitized, add in those photos as well. Add another album and title it "Calendar" and put in your favorite photos from years past.
