

HASHTAG PRINTING ULTIMATE BRANDING GUIDE

We're here to make things easy

With hashtag printing from Infinity Studio, your event receives non-stop positive impressions from your guests. In addition to giving guests a souvenir to remember their experience, you are guaranteeing your hashtag will spread across key social media instantly, providing you with vital exposure, growing brand awareness.

Infinity Studio's hashtag printing allows guests to post photos from your venue as they normally would, while simply including your chosen hashtag. Our powerful platforms sweep up every photo with your hashtag, and display them / print them instantly. *Your guests can have a physical copy of their photo (with caption and more) in less than 30 seconds from hitting the 'post' button on their smartphone.*

Spread your identity socially + physically... seamlessly

A setup at your event allows you to easily build a relationship with your audience. *You can literally trace the growing results online, benefiting you and your guests.*

- Customizable prints occur instantly from hashtags on Twitter and Instagram

- Touchscreen interfaces are available, or prints begin automatically
- We include an animated flat screen promoting your hashtag to your guests
