

Summer Plus 2017

June 26, 2017 – August 4, 2017
Held at Frelinghuysen Middle School

Better than Camp – it's Summer Plus!!

*Fun and Educational Classes,
Great Trips and Lots of Fun!!*

We welcome all students who will enter Kindergarten in September, 2017 or finish K – 7th in June 2017, from our own district as well as surrounding towns!

REGISTRATION BEGINS
when you receive this Brochure

DEADLINE IS THURSDAY, JUNE 1, 2017!

**WE HAVE MADE MANY
CHANGES THIS YEAR!**

*Please see the inside cover
for important information!*

Morris School District Community School

10 Jane Way FMS Complex Suite A

Morristown, New Jersey 07960

Phone – 973-292-2063 Fax – 973-540-1341

www.msdcommunityschool.org

New for 2017!

- We are providing “Valet” service at morning drop-off. When you arrive between 8:00 and 8:20 AM, we will meet your car and help your child out. They will then walk in to the Auditorium where they will meet their 1st period teacher. At 8:20, the teachers and students will walk together to their Period 1 class.
Classes, lunch and recesses have been shortened by five minutes to allow us to provide this service.
- Arrivals after 8:20 will park in the lot and walk with your child inside to be signed in. The students will move to their 1st period class on their own, with staff guidance.
- The “Welcome Center” desk will be in front of the Auditorium. With our new arrival and dismissal, there is no reason for parents to walk down the hallways or to classrooms.
- The front doors will be locked during the day to provide extra security for your children. If you arrive outside of pick-up or drop-off hours, a staff member will ask to see your Driver’s License or other photo ID and open the doors for you. A photo ID may also be requested if we don’t recognize you or someone on your Authorized Pick-up List.
- We **WILL NOT** have a school nurse on duty during Summer Plus. Our CPR and First Aid trained staff will attend to minor injuries and administer an EpiPen if required. For all other injuries we will call 911 and the parent or guardian.
- For families interested in a half day option for their children, and for those that are participating in Summer Music Academy or Extended School Year, we will provide an AFTERNOON half day option. We will not be offering an AM half day option due to low enrollment. Our four half day Field Trips will all be held in the afternoon.
- Due to construction on the MHS Pool and the inability to attend a local pool on a daily basis, **WE WILL NOT HAVE THE SWIM PROGRAM THIS YEAR.**
- We will be offering the Simply Gourmet lunch program this year, and **parents will go directly to their website to register, select and pay for meals.** This allows you to select from many more meal choices, add or drop days with a **two day** window, and choose from regular, vegetarian and gluten-free meals. We will continue to organize the meals at lunchtime and make sure that your child gets theirs. Please see the Simply Gourmet page for more info!
- In an effort to make Pick-Up less chaotic, Period 8 will end at 4:40. You will be able to pick-up prior to that time, but **please understand that the front doors will be locked from 4:40 – 4:50 while the Period 8 teachers transition their classes to Summer Sunset, the Carpool Area, or the Auditorium for parent pick-up.** Doors will re-open at 4:50, and parents can enter the building. Pick-up ends at 5:00 PM, and all remaining students will be moved to the Summer Sunset program.
- Summer Sunset will begin at dismissal and the **LAST PICK-UP WILL BE AT 6:00 PM.** Summer Sunrise hours remain the same, 7:00 AM – 8:00 AM.

Come join the fun!

Summer Plus 2017!

Summer Plus is an enriching summer environment for children that will keep them safely engaged and having fun from 8 a.m. to 5 p.m., five days per week! After they select from our many class choices, an 8-period schedule is planned for each child, based on his or her preferences. Choose from many that will open young eyes to new learning, support basic skills to prevent the summer "loss of learning" that can occur with a lengthy time away from school or pursue a passion and just have fun!!

It's better than camp—it's Summer Plus!

- **Summer Plus:** children who have completed grade 1 through grade 7 choose their classes and follow an individualized schedule throughout the day
- **Calling All Kids:** a program for 4- and 5-year-olds (entering or completing K); children travel in a group of up to 20 through a pre-planned day
- **Leadership for Tomorrow:** students who have completed grades 7, 8, or 9 (and are recommended by a teacher) enjoy classes designed for their age group, attend leadership workshops, and help out in classes for younger students. This program meets full days only, for 6 weeks only. Consult our separate flyer for this program to learn more details!
- **Swimming:** Due to construction on the MHS pool and the lack of availability of a local pool on a daily basis, the swim program will not be held this year. We are sorry for any inconvenience!
- **Trips:** Afternoon half days on 2nd-5th Thursdays; costs included in tuition!

Summer Plus, Leadership for Tomorrow, and Calling All Kids Program Schedules

Dates: June 26, 2017 – August 4, 2017 (No program on Tuesday, July 4, 2017)

Hours: Full Day Program: 8:00AM – 5:00PM Monday – Friday
**Half Day Program: 1:00PM – 5:00PM Monday – Friday
*SMA or ESY students arrive and join us for lunch and recess, all other arrive at 12:55 PM

** Children who participate in Summer Music Academy (SMA) or Extended School Year (ESY) can register for this program, as well as students who just want an afternoon half day experience. SMA students will also be registered for the full day on Friday, and Full Time for the last two weeks of Summer Plus after SMA ends. ESY runs for the full six weeks so only half day is needed.

Schedule: 6 Weeks June 26, 2017 – August 4, 2017 (PM or Full Day)
3 Weeks June 26 – July 14 or July 17-August 4 (Full Day Only)

Eligibility: Students from any district who are about to enter Kindergarten in September 2017 or completing Kindergarten through grade 7 in June 2017 can register for Summer Plus!

Register **IN PERSON** at the Community School Office in the Frelinghuysen Middle School Complex (Suite A). We'll be taking registrations **Monday – Friday from 8:00AM to 3:30PM – call ahead to be sure we can help you.**

You can also: **FAX** registration forms (with credit card) to **973-540-1341**
MAIL IN registration (with check or credit card) to: **MSD Community School**
PO Box 1485
Morristown, NJ 07962-1485

DEADLINE for Registration is Thursday, June 1, 2017. Applications received after this date may not be accepted.

For more information call 973-292-2063 or visit our website at www.msdcommunityschool.org

The Morris School District is committed to equality of educational opportunities for all students and equal opportunity for all employees regardless of religion, sex, ancestry, national origin and social or economic status. The District also is committed to nondiscriminatory practices in the education of handicapped students and the employment of handicapped persons as mandated by NJAC 6:28 and Section 504 of the Rehabilitation Act of 1973/ADA, respectively. .

GENERAL INFORMATION:

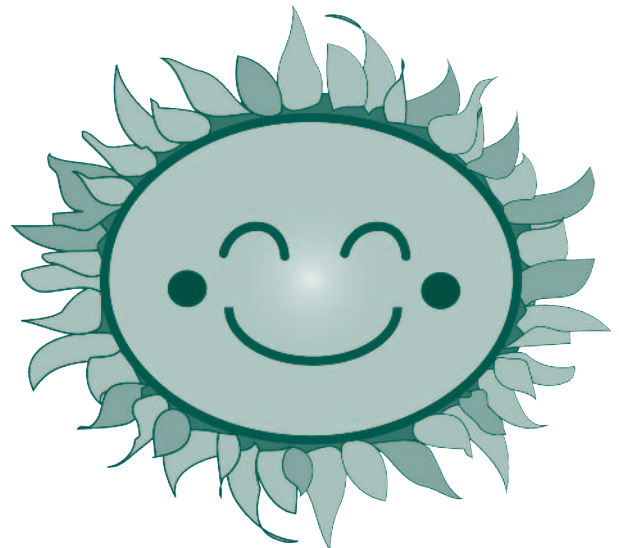

Please read carefully!

- Programs will take place at the Frelinghuysen Middle School, 10 Jane Way, Morristown.
- Students bring their own lunch, snacks, and beverages - no glass containers, or order from Simply Gourmet.
- All students must submit the Summer Plus medical form – due with registration. Failure to return the medical form will prevent your child from starting Summer Plus on the first day. Students not enrolled in MSD must also have a medical form completed by their primary care physician—we will send it after you register.
- Enrollment is on a first come-first served basis. The Community School reserves the right to close a class once maximum enrollment has been reached and the right to cancel a class due to insufficient enrollment. We make every effort to ensure that all classes in your child’s schedule were requested.
- No schedule changes will be made until the program’s 4th day (6/29/17). Class changes are billed at \$25 per change, based on availability.
- Please use our “Valet Drop-off” in the morning between 8:00 and 8:20 AM. If you arrive later, please park in the lot and walk your child to the Welcome Center.
- Sign-out will be in the auditorium for all students (other than carpool) after 4:50 PM until 5:00 PM. Carpool pick-up will be located in the side lobby to the left of the auditorium.
- Supervision is not available during the lunch hour for part-time students unless they are coming from another District program; children enrolled in the PM session cannot arrive until 12:55 p.m.
- Once you have submitted your application, you will not hear from us unless there is a problem scheduling your child for the classes you have requested. In mid-June you will receive a packet from us with all the information you will need for the first day of Summer Plus.
- Participation in our programs is subject to all rules and regulations established by the Morris School District Community School Advisory Board. Students are expected to behave in ways that demonstrate consideration for the rights and needs of others and to conform to all rules and regulations. Failure to meet these expectations for behavior may lead to restrictions, suspension, or dismissal from the program.

SUMMER PLUS PROGRAMS – 2017

To make the brochure easier to understand and the registration process more clear, this year's selections are divided into classes for Grades 1-3 (**Juniors**) and for Grades 4-7 (**Seniors**). All of the classes that have formally been listed as "all ages" are now broken into grades, allowing us to schedule the children by age and ability. We have re-named and/or combined many popular classes and added new ones to make your selections easier, and we have also added additional sections of our most popular classes so there is more opportunity to get your "top" choices! Please note that the grade is the one that your child just **completed**, not the grade they are moving into. We cannot make exceptions to this. When a class is only offered in the morning, or the class requires a six week commitment or more than one period per day, it will be listed next to the class.

CALLING ALL KIDS!!!

Children entering Kindergarten or 1st Grade in September 2017

Youngsters will stay together as a group and still have an opportunity to experience a wide variety of programs in the arts, sports and recreation, and academic enrichment. Daily programs will include such courses as **Fun, Fitness and Friendship, Music & Dance, Kindergarten STEAM, Big Lego Math, and Sharing is Caring**. Scheduling depends on enrollment.

Please choose **"CALLING ALL KIDS"** on the application form to register for this program.

Attendance alternatives: 6 Weeks – Full Day, 6 Weeks – PM only , 3 Weeks – Full Day

JUNIORS – Gr. 1-3

Science/Math/Technology/Design

ARCTIC ADVENTURE CAMP

Brrr!...there's a chill in the air! Come learn about cold-weather animals, including polar bears, penguins, and seals that live in the icy cold wilderness. Arctic Adventure camp will be full of stories, fun, projects, and even some special arctic food.

GREEN SCIENCE

Our young scientists will discover fun ways to make our planet a bit greener--and better for all of us--as they learn about the ecological connections between the people and other creatures who call our Earth their home. They will explore all kinds of living organisms as they dig into gardening, discover what life in the sea is like, conduct their own science experiments, and create eco-themed works of art..

NEW!! MAGICAL MATH

Use numbers to solve all kinds of riddles and problems! Have fun with Sudoku, Color by Numbers, card games and more as you explore the magic of numbers in our everyday life!

ROCKETS, MICROSCOPES & COOL CHEMISTRY

Become a scientist by doing experiments in a laboratory setting: chemistry experiments, making tornadoes, launching rockets, creating crystals, analyzing small life forms, experimenting with electricity, discovering how planes fly! This is a hands-on course with activities and experiments that will be truly enlightening, educational, and very enjoyable.

NEW!! FREAKY SCIENCE FUN

Work on science based projects that are lots of fun to do! See how you can make an egg float and make elephant toothpaste! Make mazes, simple machines and much more in this hands-on science class. Of course, slime is included!!

Reading/Writing/Self-Expression

DIGITAL STORYTELLING

Write stories on the computer and then create digital illustrations to make them come alive! Make them into cartoons or video clips for even more fun!

DRAW IT, MAKE IT, TELL ABOUT IT!

Imagine something using inspiration from a story, draw a picture of it, and then create it! When you're done, tell about what you did to make it or make up a story you can share about it. Turn on your creativity switch and light things up!

NEW!! I LOVE TO READ!

Explore the fun of reading in this program designed for the young reader. Read at least one book per week as a group, taking turns reading out loud. Once we are finished, we will do related craft projects that support creative skills and bring a deeper understanding of what we read.

NEW!! FROM THE BOOK TO THE BIG SCREEN

So many popular children's books have been made into movies! Read the book and then watch the movie. Afterwards, compare and contrast them – how did things change from print to the big screen? Would you have made that change?

NEW!! AROUND THE WORLD

Span the globe and explore different cultures and continents. Read and re-tell traditional stories and make all kinds of crafts popular throughout the world.

NEW!! POEMS AND PROSE

Poems come in all types! Dr. Seuss was a poet, and you can be one too. Read all sorts of poems, learn how to write your own and then share them with your class...what a blast!!

RACE INTO WRITING

Keep those pencils moving all summer long! Use picture books and other brainstorming tools to explore the writing process. Your child will work on his or her writing fluency, all the while developing confidence and an "author's voice."

YOU READ TO ME, I'LL READ TO YOU

This program will provide early readers an opportunity to reinforce their reading skills by reading grade level books, magazines and articles throughout the summer and then writing about them. Participants will read something new every week and do related activities that support writing skills and making meaning.

Arts/Crafts

A WORLD OF PUPPETS!

Finger puppets, shadow puppets, sock puppets, stick puppets! Tiny puppets, huge puppets! Whatever kind you like, puppets have three stages: making or choosing the puppets, making a story, and performing the play!

ENDLESS CREATIONS

Create three-dimensional projects, such as masks, puppets, and imaginary creatures, using air-drying clay, *papier-maché*, dough and many other fun materials. Endless possibilities!

NEW!! HOW TO DRAW....ANYTHING!

Be creative and have fun! Using all kinds of art supplies, learn the basics of drawing. The only limit is your imagination!

NEW!! FRIENDSHIP BRACELETS AND MORE!

If you can wear it on your wrist, you can make it in this class! Thread, lanyard, beads, and lots more materials will help you create special bracelets for you or a friend!

NEW!! MAKE IT ABOUT THE MOVIE!

Watch a classic kids' movie on Monday, and then spend the rest of the working on arts and crafts, games and more related to that movie's theme.

ON A ROLL

You can't believe what can be made out of duct tape, especially the new styles with colors and patterns that can be used to make hundreds of things!! In this class, we will create a variety of things: bags, wallets, jewelry, belts - all out of tape and all that can really be used.

PAPER DOLL DESIGNERS

Design and create clothes, accessories, and settings for a variety of delightful paper dolls! This creative activity that has been enjoyed for hundreds of years continues to give an opportunity for fun and learning!

Extend Your Child's Morning Studies with a Fun Afternoon!

If your child will be attending Summer Music Academy, Extended School Year or any MSD morning program, talk with us about enrolling in **Summer Plus** to complete his or her day!

We will provide a great afternoon (and Fridays if you'd like) for your youngster and transportation to FMS is provided for students attending district programs in the morning.

Cooking/Foods/Nutrition

****If your child has food allergies or other significant dietary concerns, please do not select these classes. We cannot guarantee a nut-free environment, and our pantry and kitchen is co-mingled. Please call the office with specific questions and/or concerns before registering. ****

NEW!! BUILD IT - EAT IT!

A little bit of technology and a lot of yummy fun! Students will design their creation, and then use simple food items – pretzels, marshmallows, gum drops, etc. to “build” it! Once their creation is complete, it is extra fun to eat!!

CHOCOLATE, CHOCOLATE!

Dark! Light! Bittersweet! – Chocolate kisses!!! Chocolate fudge!!! In this course we will explore CHOCOLATE: books and stories about chocolate, chocolate in different cultures, where it comes from, how it's made, and of course – we will be creating lots and lots of chocolate treats!

COOKIES FROM SCRATCH!

Learn all about the science behind cookies by using different ingredients to change flavors, textures and more. Use your knowledge to create delicious and good-for-you recipes that you will really enjoy!

INCREDIBLE EDIBLES

One piece of pizza + two pieces of pizza = 3 pieces of pizza!! Students will strengthen their skills in math concepts such as counting, measuring, adding and subtracting by preparing and enjoying a wide variety of easy-to-cook foods, such as pudding, cookies, healthy snacks, etc. Along the way, see how much fun it is to mix food and math!

GARDEN TO TABLE (AM Only – 2 periods)

This two period class will begin with an hour of gardening and related science, followed by an hour of cooking that brings the produce to the table for exploration and yummy eating. Early in the summer, food will be provided to prepare a healthy snack or meal in the second hour--until your crops come in!

HOLIDAY TREATS FROM MANY CULTURES!

Celebrate the fun holidays and special days of the year in this great hands-on cooking class! Where do you find sandbakkles? What's the spookiest food for Halloween? Foods for winter, summer, spring and fall! We will find and make them all!

SANDWICHES, ANYONE?

Learn to make all your favorite sandwiches and wraps! Impress your family and friends with your skills! Experiment with new combinations and try different breads and condiments! And of course, eat what you make!!

Music/Theatre/Dance/Performance

NEW!! ACT IT OUT

The group will use their imagination to write a “script” about a favorite animated character. Then, everyone will take a part, learn their lines and “act it out”, just like Broadway stars!

FOOTLOOSE

Using a variety of popular music styles, you can express yourself with new moves that are creative and exciting. Traditional movement (like line-dancing), hip-hop, African and Latin dance moves, combined with a little “street funk,” are sure to create a unique dance experience!

SUMMER PLUS SINGERS

Sing for enjoyment and improve your skills at the same time—there are so many kinds of songs to sing! Develop your singing technique and gain performing experience! In this program, we'll sing familiar and “new to you” songs, chosen to help everyone grow their voices.

TAP DANCE FEVER

An introduction to tap dance - a great way to express yourself and get lots of exercise. Beginners will learn basic tap moves and work up to performing a piece set to music. **Tap shoes are required, student must provide their own.

NEW!! ZUMBA FOR BEGINNERS

One of the hottest dance/exercise crazes to come along, Zumba is a great workout for everyone. This class will be paced to the age of the children in the group and set to their favorite “tunes”. Sneakers required!

Sports/Games/Competition

BASEBALL

Play Ball! Enjoy America's favorite summer sport. There will be instruction in fielding, throwing, hitting, base running, pitching, and general baseball strategy. (Younger students will play T-Ball.)

BASKETBALL

Learn techniques in ball handling, passing, shooting, rebounding and defensive moves. Grades 1 – 3 will use a smaller, free-standing hoop and play half-court.

CHEERLEADING 101

RAH! RAH! SUMMER PLUS! Learn the cheers, dance moves, and jumps needed for this sport. Practice fundamentals and then perform in our end-of-summer performance.

CHESS: THE GAME OF KINGS – Beginner or Advanced

Begin to learn how to play the most popular game ever invented! – where the game came from – the rules of the game – how the pieces move – and some important strategies for winning. You will learn the basics, and maybe more! Compete in a chess tournament with your classmates!

COMPUTER GAMES

Playing games and learning have never been as much fun as they are on the computer! Join us as we explore an unlimited supply of age appropriate games and activities.

SOCCER

Increase your enjoyment of the game by improving your skills in dribbling, heading, kicking, trapping and throwing. Learn correct soccer techniques that will make the game more exciting and interesting. (Repeats welcome!)

NEW!! SO MANY GAMES

Have a great time while playing a different game or sport every day! Learn the basic history and rules of the games, as well as teamwork and sportsmanship. Play games like Kickball, Volleyball, Ultimate Frisbee and many, many more – usually outside on the lawn!

TENNIS (AM Only)

Learn to play tennis – a sport for a lifetime. In this popular program students will learn and practice the skills, techniques and strategies for singles and doubles play. Students will be divided by skill level within their class: beginner and intermediate. Enrollment is limited. (Intermediate requires at least one previous year of Summer Plus tennis)

SUMMER PLUS SWIMMING

We are sorry, but due to construction on the Morristown High School Pool and the lack of daily availability at other local outdoor and indoor pools, we are unable to provide a swim program for Summer Plus 2017.

SUMMERSUNRISE – SUMMERSUNSET

The **SummerSunrise** and **SummerSunset** child care programs are operated by the Morris School District Community School and are designed for children attending Summer Plus. Both programs provide a safe, supportive, supervised environment in which boys and girls can relax and play while their parents are at work. We use space in the cafeteria at Frelinghuysen Middle School and there is a modest cost for each program. You get five days of peace of mind, on-time arrival at work, time to get those groceries—whatever you need the time to accomplish!

SummerSunrise opens at 7AM and extends until classes start at 8:00AM.

SummerSunset begins immediately at 5PM and extends until 6:00PM.

*****PLEASE NOTE THE PICK-UP TIME HAS CHANGED TO 6:00 PM.
WE HAVE ADJUSTED THE COST ACCORDINGLY!**

SENIORS – Gr. 4-7

Science/Math/Technology/Design

BRAIN BUILDERS

Build your brain while we explore numerical and non-numerical math games, both new and familiar. Play and develop strategies for Bagels, Fermi, and Pico. Examine palindromes and challenges such as The Tower of Hanoi and The Game of Sprouts. Why is the number 9 so special? Make some games you can take home for more fun.

CODING FOR KIDS!

Learn “computational thinking” to support the basic concepts of writing computer code by using engaging, fun apps that will challenge and amaze. Create your own programs that will amaze family and friends.

DESIGN AND BUILD!

Make plans and create models of familiar sites in the world around us. Learn to make blueprints and then follow through to build prototypes. This class will use common materials to construct models.

FOLLOW THE DOLLARS!

Time to develop your money skills--this personal finance course will help you understand your purchasing power! Learn the benefits of saving up for things you want, explore new ways to fundraise for projects and worthy causes! Make your money go further and impress your family!

GEARS AND GADGETS

Design and build contraptions that do fantastic things! Explore the effects of gravity and the influence of the inclined plane! Rollercoaster? Stunt car tracks? On-ramps and off-ramps? Practical physics and total fun!

GRAPHING YOUR WORLD!

Create graphs, fanciful or plain, for any data you can collect or imagine. Count the things around you and describe them with different kinds of graphs. Learn to “read” graphs and explain them to others, as well. You’ll be ready to impress everyone around you with your great graphing skills!

GREEN SCIENCE

Our summer scientists will discover fun ways to make our planet a bit greener--and better for all of us--as they learn about the ecological connections between the people and other creatures who call our Earth their home. They will explore all kinds of living organisms, discover what life in the sea is like, conduct their own science experiments, and create eco-themed works of art.

LEGO CONSTRUCTION

Explore the world of Legos through finding or imagining plans and creating structures to match! We provide the Legos and you provide the imagination and develop your skills! Move through basic projects and explore intricate designs!

MATH WHIZ (AM)

Use the latest computer software to explore the world of math! Students will experience the adventures of math available to them on the computer while enriching their skills in math concepts, computation and problem solving.

MINECRAFT ADVENTURE!

Explore the World of Minecraft and construct your own world; collaborate with other students and build, build, build! No need for an individual account--this is all on our internal network.

OUR 3D WORLD!

What can you imagine? Can you make it appear? We’ll explore how we turn two-dimensional ideas into three-dimensional things, with a focus on the emerging world of 3D printing! We’ll create small, useful objects that can be ornamental as well and expand our understanding of this “state-of-the-art” technology.

STEM ENGINEERING CHALLENGE (AM)

Short-term design challenges and problem-solving experiences to excite the imagination and stretch the mind! There is no one best way to solve a problem--find the one that works best and strengthen collaborative skills at the same time.

Reading/Writing/Self-expression

NEW!! CARTOONING AND READING - PERFECT TOGETHER

Read a popular book or poem, and then learn how to create cartoon illustrations around the story. Students will also write and illustrate their own poem or short story.

JOURNAL YOUR ART

Enjoy the process of creating an illustrated writing a journal in which you use your growing vocabulary to describe your surroundings, sketch the things that you see, and form a habit of observation and description that can continue throughout your life!

HARRY POTTER!

We may all be muggles, but come with us on a delightful journey to explore the world of wands and wizardry! Reading, games, crafts and activities related to the books and movies! Learn to play Quiddich.

NEW!! INTRODUCTION TO ITALIAN

Have you always wanted to learn another language? Learn the alphabet, basic words and phrases and even more to get you started on a lifetime of language learning. Italian is a beautiful language and you will be able to impress family and friends with your new skills!

LOVE THAT READING!

Reading --- it's everywhere! Come explore just how much fun reading can be. We will read a novel and many other shorter pieces as we increase our reading and comprehension skills as well as love of reading. You may use your Summer Reading book in this class.

MAKE YOUR POINT!

Gain the tools you need to get your point across! This class will help children learn to write an effective essay. They will choose a "cause," formulate a point of view, identify their audience for persuasion, develop cohesive ideas, outline their information, write, and revise – as well as work on the importance of word choice, good grammar and impactful vocabulary. Some group and some individual writing will be involved.

Arts/Crafts/Photography

ALL KINDS OF ART FROM A PAPER START!

Using books, magazines, beads, buttons, string and ribbon, you'll learn to make one-of-a-kind jewelry, decorative pieces, and greeting cards. This class will use mixed media, papier maché, Origami, and digital sources to create amazing works of art!

CLAY CREATIONS

Students will have an opportunity to explore their own creativity and express themselves through clay. They will create clay pieces ranging from trivets and pots to boxes and bowls as they learn the techniques and experience the pride that comes with accomplishment and creativity.

CRAZY FOR MOSAICS

Mosaics are an ancient art form that can really stretch your imagination! View extraordinary examples from museums and public buildings as inspiration, then create works of art and useful objects. We will use paper/pencil and digital designing tools to plan, before building our designs using tiles, small stones, and cut paper.

NEW!! DIGITIZE ME – GETTING CREATIVE WITH PHOTOGRAPHY

Aim, click, create! Learn how to take and use digital photos you already have, and the ones that you will take during this class – to create all sorts of interesting projects like t-shirts, buttons and more. You will also learn how to use photos in journals, scrapbooks and more.

MEMORY BOOKS OF ALL KINDS!

Whether you are scrapbooking or imagining a book of photos or poetry, this class will help you develop the decorative and formatting skills to present your work at its best! When you are satisfied with the layout, you can publish many ways. Calendars, accordion books, and box books are just a few! Make a keepsake you can treasure always!

ON A ROLL

You can't believe what can be made out of duct tape!!! The new version, with colors and patterns that can be used to make hundreds of things!! In this class, we will create a variety of things: bags, wallets, jewelry, belts...even clothes...all out of tape and all that can really be used. We'll also include charming Washi Tape as a decorative element!

PAINTING, PROPS AND THEATRE TRICKS (2 periods-6 week students only)

Put your creativity to work designing, drawing, painting and building! We'll create the scenery, masks, props, etc., for scenes in our end-of-summer performances.

PAPER DOLL DESIGNERS

Design and create clothes, accessories, and settings for a variety of delightful paper dolls! This creative activity that has been enjoyed for hundreds of years continues to give an opportunity for fun and learning!

PARTY PLANNING

Learn what it takes to plan and give a party: choosing a theme, decorating, menu planning, food preparation, and how to keep costs down. Let's party hearty!

NEW!! PIN IT!

Pinterest has taken over the crafting world and there are so many choices! Students will work with their teacher to use the site and select projects ranging from crayon art to cooking to décor!

TEE SHIRTS... PLUS!

In this graphic design class you will move from idea, to drawing, to Adobe Photoshop, to heat-transfer printing and fabric paints, to creating your own extraordinary original artwork, on tee shirts, bags, sweatshirts and more.

WHAT A GEM

Do you love jewelry? Is there a special necklace or bracelet you would love to have? Here is your opportunity to design your own jewelry and then make it. In this course students will learn the techniques for making jewelry out of silver, beads, clay, wire, etc. and then create their own "original" pieces. More advanced students will design and make more complex projects.

YEARBOOK FOR SUMMER PLUS

Students will take pictures, create, and publish a paper and digital Summer Plus Yearbook available for students to take home at the end of the program.

Cooking/Foods/Nutrition

If your child has food allergies or other significant dietary concerns, please do not select these classes. We cannot guarantee a nut free work space and we have many food items co-mingled in the kitchen and classrooms. Please call the office with specific concerns/questions before registering.

CHOCOLATE, CHOCOLATE!

Dark! Light! Bittersweet! – Chocolate kisses!!! Chocolate fudge!!! In this course we will explore CHOCOLATE: books and stories about chocolate, chocolate in different cultures, where it comes from, how it's made, and of course – we will be creating pots and pots of chocolate!

COOKIES FROM SCRATCH!

Learn about the science behind a recipe by making them in different ways and observing the changes you get! Make healthier cookies that are delicious! Make crackers that will amaze you! Nothing boring about these!

DESIGNER CUPCAKES

Everybody loves cupcakes!!! Not only do they taste good, but they are really works of art! In this great class, we will bake and ice basic cupcakes and then go on to learn enhancing techniques to create cupcakes with fancy flavors, cool twists, and new and creative decorating details.

SUMMER PLUS IS ON THE ROAD...TO EVEN MORE FUN!

**Summer Plus will take four PM half-day trips, broken down into age-appropriate groups!
Trips will be on Thursdays during the 2nd- 5th weeks of Summer Plus; no trips in weeks 1 and 6.
Children attending a 3-week session will go on two trips!**

Trips will take place on July 6, 13, 20 and 27. Activities will be geared to the age and stage of group participants; visiting the same venue does not mean doing the same things! *Students will attend only those trips that occur during their regular Summer Plus schedules.* We use school buses for Summer Plus trips and all staff participate in chaperoning. Cost for trips and tee shirts are included in Summer Plus tuition and students must wear their Summer Plus tee shirts on ALL trips.

For more information about trips, contact: MSD Community School at 973-292-2063

LE GRAND CHEF: BEST RECIPES FROM AROUND THE WORLD

Take an eating trip around the world and taste the incredible foods eaten by people on distant shores. We'll eat our way through such countries as Mexico, Italy, France, Spain, and of course --- the United States! Students will prepare the food and then enjoy eating it.

SANDWICHES, ANYONE?

Learn to make all your favorite sandwiches and wraps! Impress your family and friends with your skills! Experiment with new combinations and try different breads and condiments! And of course, eat what you make!!

Music/Theatre/Dance/Performance

A BROADWAY MUSICAL FOR ALL! (6 Week Students Only -2 Periods)

Sing and dance your way through an adaptation of a wonderful musical production! The program will culminate with a performance at the end of the summer program. (Meets 2 periods per day.)

NEW!! ACOUSTIC BAND (Six Week Students Only)

Have you ever wanted to be in a band? Pick up your instrument (guitar, bass, drums or keyboard) and let's get started! Learn how to play as an ensemble and showcase your talents at the end of Summer Plus!

CHOREOGRAPHY FOR YOUNG DANCERS

Learn how dances are constructed, putting basic and advanced steps together with your favorite music. Collaborate on a short dance that can premier at our end-of-summer performance.

FOOTLOOSE

Using a variety of popular music styles, you can express yourself with new moves that are creative and exciting. Traditional movement (like line-dancing), hip-hop, African and Latin dance moves, combined with a little "street funk," are sure to create a unique dance experience! A highly anticipated performance at the end of summer!

GUITAR (6 Week Students ONLY)

From folk to blues, classical to rock...learn to play guitar in just six weeks! Understand different styles of guitar and guitar playing while taking the first steps in reading music and playing chords.

GUITAR II (6 Week Students Only)

If you are taking guitar lessons or have studied guitar before, this is the class for you! Join and explore the art of guitar playing and learn chord progressions, techniques and styles from different time periods.

KTV 2.0

Join the Summer Plus Kid TV Network! As part of the KTVN crew you will bring a project to completion, sometimes working behind the camera and sometimes in front of it. It may be a commercial, a PSA, a short drama, or comedy skit. Learn the ropes and then show off your skills!!

PIANO KEYBOARDING — (6 Week Students only)

Now is your chance to gain the skills of piano keyboarding! Students will learn to play musical selections using an electronic keyboard. At the end of the program there will be an opportunity to perform.

SUMMER PLUS SINGERS – (6 Week Students only)

Sing for enjoyment and improve your skills at the same time—there are so many kinds of songs to enjoy singing! Develop your singing technique and gain performing experience! In this program, we'll sing traditional and popular songs, familiar and "new to you," chosen with your strengths and areas for growth in mind.

UKULELE is UNIQUE! (6 week students only)

Learn the ukulele in six weeks! Even if you have never picked up an instrument of any kind, you'll learn the fundamentals and be able to strum along with songs! We provide the instrument, enrollment is limited.

Sports/Games/Competition

BASEBALL

Play Ball! Enjoy America's favorite summer sport. There will be instruction in fielding, throwing, hitting, base running, pitching, and general baseball strategy.

BASKETBALL

Back for another season! Learn techniques in ball handling, passing, shooting, rebounding and defensive moves.

CHEERLEADING 101

RAH! RAH! SUMMER PLUS! Learn the cheers, dance moves, and jumps needed for this sport. Practice fundamentals and then perform in our end-of-summer performance.

CHESS: THE GAME OF KINGS

Learn how to play the most popular game ever invented! – where the game came from – the rules of the game – how the pieces move – and some important strategies for winning. If you already know the basics, this course will give you a chance to hone your skills. Compete in a chess tournament with your classmates!. Beginner or advanced.

COMPUTER GAMES

Playing games and learning have never been as much fun as they are on the computer! Join us as we explore an unlimited supply of well-known and new games and activities.

SOCCER

Increase your enjoyment of the game by improving your skills in dribbling, heading, kicking, trapping and throwing. Learn correct soccer techniques that will make the game more exciting and interesting. (Repeats welcome!)

NEW!! SPORTS AND MOVIE TRIVIA

Combine your favorite sports movie with lots of trivia from the featured sport! If you love movies and sports, this class is for you!

NEW!! SO MANY GAMES

Have a great time while playing a different game or sport every day! Learn the basic history and rules of the games, as well as teamwork and sportsmanship. Play games like Kickball, Volleyball, Ultimate Frisbee and many, many more – usually outside on the lawn!

TENNIS (AM Only)

Learn to play tennis – a sport for a lifetime. In this popular program students will learn and practice the skills, techniques and strategies for singles and doubles play. Students will be divided by skill level within their class: beginner and intermediate. Enrollment is limited. (Intermediate requires at least one previous year of Summer Plus tennis)

TOUCH FOOTBALL

Practice for the fall season in this action packed class. Skills in throwing, catching, punting and kicking will be taught. Exciting play-off games will culminate the season. Boys and girls can register. (Repeats welcome!)

NEW!! ZUMBA

One of the hottest exercise crazes around, ZUMBA is great for every age level. This class will focus on fun and fitness, all set to their groups favorite “tunes”. Create your own “routine” and teach it to the class!

**Are you looking for a way to make sure your child's
summer includes Music Instruction?**

Enroll in the Community School's

SUMMER MUSIC ACADEMY!

(Open to students completing grades 3 - 11 in June 2017)

June 26 through July 21, 2017 (No session Tuesday, July 4), 9:00 AM to Noon

*8:00 – 9:00 AM optional second instrument or practice session is available

Call the Community School at 973-292-2063 for more information!!

What's for Lunch?

NEW this year to our Simply Gourmet lunch program...

All ordering will be done on line directly at their site!

Summer 2017

Dear Parents at MSD Summer Plus,

Welcome back. We are Simply Gourmet, a Catering Company specializing in food services for children. Our meals are nutritionally balanced, delicious and child friendly. Nothing is ever fried and our products are completely free of nut ingredients.

We are delighted to announce that this summer, you will be able to place your orders & make your payments via our automated web site, no more paper! You will also have the ability to modify your orders during the summer session as needed. This will offer added flexibility and give you access to many more meal options as well.

Order processing is automated by visiting our web site:
www.SimplyGourmetLunches.com

For step by step directions on creating an account click on the "How It Works" tab on our home page.

Menus for the summer session will be available after June 1, 2017.

We proudly offer "wholesome" meal options which have no GMO's, no artificial ingredients, no growth hormones and no trans fats; only fresh super foods that promote a healthy diet for children! Our products are free of nut ingredients as well. The lunches are individually labeled and packaged by child and are in recyclable paper boxes.

All components of the meal may be customized; put a check in the date box and click on the "edit this day" button on your menu to see all of your choices!

Orders may be placed for the entire month or at least three days in advance of the day you would like to receive service. This is referred to as our "72 hour lock out period". Please keep this in mind when you are placing your orders or editing your orders.

If you have any trouble navigating through our website feel free to contact us and we can "walk" you through the process.

Simply Gourmet
973-891-1955

SUMMER PLUS!!!

SUMMER PLUS!!!

LEADERSHIP FOR TOMORROW (LFT)

... an amazing opportunity for students completing grade 7, 8, or 9 in June 2017

SIX WEEK, FULL DAY PROGRAM 8:00 AM – 5:00 PM June 26 – August 4, 2017

Leadership for Tomorrow is limited to 20 students. In order to participate, each student must have a recommendation from a teacher or guidance counselor and complete an essay. They will be selected based on leadership potential, maturity, and academic effort. Call 973-292-2063 or go online to www.msdcommunityschool.org to get the details! Once you decide to apply, please call or e-mail to gail.lowrydavis@msdk12.net to be mailed an application packet. Only fully completed packets will be considered on a first come-first served basis.

Participants will have an opportunity to:

- take classes especially designed for your age group
- participate in workshops to enhance your leadership skills
- assist with special projects and in younger children's classes
- collaborate with Summer Plus administrators to design an end-of-camp activity
- enjoy specially planned full day trips on Summer Plus trip days

INCLUDED: Trips, five tee-shirts, opportunities to excel!
No extra charge for **SummerSunrise** and/or **SummerSunset**.
