I IMPELLING DIRECTIVE

"It should be made a part of gospel labor to help forward promising young men who give evidence that the love of truth and righteousness has a constraining influence upon them, leading them to dedicate themselves to the work of God, as medical missionaries, as canvassers, as evangelists. Let a fund be established to carry this work forward. Then let those who have received help go forth to minister to the sick and suffering. This work will surely open the way for the balm of Gilead to be applied to sin-sick souls." (Ellen G. White, *Selected Messages*, Book 2, pages 208, 209.)

II PURPOSE

In an effort to find, challenge, and prepare potential, dynamic lay or employed leaders for the Seventh-day Adventist Church, the Baybarz Scholarship Trust Fund has as its purpose the giving of challenge grants to worthy students enrolled in a Seventh-day Adventist school, or college in the Pacific Union Conference who meet the following qualifications.
