

Start with *Skin Care*

Mary Kay has always stressed and science has proven, there are **FIVE ESSENTIAL STEPS** to good skin care!

1. **CLEANSE** – to remove dirt, impurities, makeup
2. **EXFOLIATE** – to remove dead surface skin cells & oily flakes that dull skin & block moisturization
3. **FRESHEN/TONE** – condition skin/PH, refine pores
4. **MOISTURIZE** – every skin needs to be hydrated
5. **PROTECT** – to provide a barrier to seal in moisture & seal out pollution. In Mary Kay, FOUNDATION is skin care & an important protection step!
