**09:30** - June 1<sup>st</sup> : Opening session : testimonies and study

**11:00** – June 1<sup>st</sup> : First session : political round table.

**15:30** - June 1<sup>st</sup> : Second session : technical conferences.

**11:00** - June 2<sup>nd</sup> : Third session : technical conferences.

**15:30** – June 2<sup>nd</sup> : Fourth session : debate.

- ❖ Each round table, or each debate is composed by six speakers and a chairman.
- ❖ The two technical conferences sessions are composed by five presentations (fifteen minutes each).
- ❖ Each session's chairman is from a rightful professional union. He synthetizes the different technical conferences , gives his point of view and interacts with the other speakers.
- ❖ The audience can interact during twenty minutes at the end of the last intervention (speaker or chairman).
- ❖ A master of ceremonies conducts sessions (in addition to the chairman's moderation).
- ❖ Conferences powerpoints (PPT) are in English. No slides during debates and round table.
- ❖ Speakers can use either french or english (live translation service available).

# Thematics

---
