

## Theatre Seat Donation Form

---

**TAKE YOUR SEAT!** As the renovation of Studio 1 and the Sara McMillan Brown Theatre continues, we would like to invite you to **'take your seat'** as a Seat Donor.

With your Seat Campaign gift of \$300, you'll become a permanent part of the most wonderful, history making theatre event to happen in this region in a long time!

### As a Seat Donor

- Your name – or the name of a group, organization or loved one you choose to honor – will be engraved on a permanent brass plate on a custom seat in the newly renovated Brown theatre.
- Your name – or the name of a loved one – will be listed in the Campaign Celebration program.

### A Great Gift Idea

Naming a seat is a perfect way to remember or honor a loved one. This gift is a fantastic way to mark a birthday, anniversary or holiday. The person you specify will receive a special gift acknowledgment letter.

### Sponsor a Seat

Your donation to the Seat Campaign is fully tax-deductible. Accommodations will be made whenever possible for specific seat requests but cannot be guaranteed. Seat name recognition does not guarantee that seat for future performances.

If you would like to make a donation toward new seating, print this donation form and return as directed, or contact our offices.
