Information Page

Dear Collector

Welcome to the September Postbid catalogue, which has just under 4,000 lots of Great Britain and Commonwealth countries. Included in this sale is a very good collection of Cyprus which is offered as 177 lots, other “good” sections noted incl Australia and States, Bermuda, Falkland Islands and Dependencies, Hong Kong, Malaya and States and GB among others, so hopefully something to fill a few gaps.

Judging by the way the £10 section sold in the last sale, many of you like a bargain, so this month I have put 570 lots in at just £5 each at the end of the catalogue. Remember these are not in the auction, they are available first come first served at £5 each, so have a look!

Good luck!

Ryan

3.3 In the event of any reserve price not being reached SG is empowered to sell by private treaty after the auction any lot at not less than the reserve price as long as the goods remain on SG's premises. In the event of such a sale these Conditions will apply.

- (iii) where a purchaser has served a notice to reject a lot pursuant to Clause 6.1, seven days after SG's receipt of the certificate referred to in clause 6.2 confirming that the lot is genuine and/or correctly described.

4.2.3 In the event that a purchaser is entitled to reject a lot pursuant to Clause 6.3 then SG's sole liability to the vendor shall be the return of the lot in the same condition as received from the purchaser.

4.2.4 Lots bid on and bought by the vendor will be regarded as sold and vendor shall be liable to pay the Commission and the Price.
