**S A T A SASKATCHEWAN  
ADMINISTRATIVE TRIBUNALS  
ASSOCIATION**

The Saskatchewan Administrative Tribunals Association (SATA) is a provincial organization of administrative tribunal members and those interested in administrative justice.

We are a non-profit corporation established with a goal of providing efficient and cost-effective training and networking opportunities within Saskatchewan for those involved with administrative tribunals, boards and commissions.

## **SATA's objectives are:**

- To facilitate the sharing of professional information, experience and expertise about administrative justice by our members;
- To promote and assist in the education and training of tribunal members and staff;
- To address common concerns of members within the administrative justice system in Saskatchewan;
- To act as a source of information and consultation on issues relating to the administration, development and improvement of the administrative justice system and;
- To liaise with tribunal members and staff in other provinces and in the federal jurisdiction and with their organizations.

## **Why become a SATA Member?**

SATA plans to offer at least two one-day training sessions on various topics relevant to those involved in the administrative justice system, including our annual conference, a forum for practices and trends in administrative justice tribunals.

As a member of SATA, you will be entitled to a reduced fee for such training.

You will also receive information about other organizations where you can participate in training and networking opportunities such as:

- Foundation of Administrative Justice (FOAJ)
- ADR Institute of Saskatchewan Inc.
- Canadian Council of Administrative Tribunals (CCAT)
- The Dispute Resolution Office
