It is amazing to me that Nelly's House has now been in existence for seven years!

Just seven years ago God put it in my heart to go back to Haiti, the place of my birth to start a lunch program.

We had a modest goal; we would operate a lunch program in one school and feed the children three times a week. We did this by faith, not knowing that within one short year, with the support of a faithful few, we would be providing hot lunches to 270 students in two schools, Maniche and Policard five times a week.

It is now 2014 and Nelly's House continues to GROW! We are now in six schools and now have a new goal of feeding 1,000 hungry children. It is a miracle!

Thank you everyone for your support, prayers and well wishes. Thank you to all our volunteers for letting God use you to carry out this honorable work.

Although many of you are aware that I have relocated back to my hometown, Maniche, Haiti, I wanted to officially let all of my Nelly's House family know of this wonderful news.

Please know you are welcome to visit anytime.

Warmest regards,

Carmel Wagnac
Founder and Director

Feed the hungry, and help those in trouble. Then your light will shine out from the darkness, and the darkness around you will be as bright as noon.

The Lord will guide you continually, giving you water when you are dry and restoring your strength. You will be like a well-watered garden like an ever-flowing spring.

Isaiah 58:10-11

Improve

Our mission has and will continue to focus on improving the physical and spiritual well being of Haiti's children by supporting the development of its future leaders. It brings us a tremendous sense of satisfaction to see a dramatic improvement in student attendance as a result of the lunch program.

Grow

IEBCF

We are beyond thrilled with the growth that Nelly's House has made in seven short years. In 2014 we are pleased to announce that: *Institution Evangelique Borel Chery De Fauge* in Banatte, has joined the Nelly's House family of schools and will be participating in the lunch program!

How could we forget to say thank you...

Rachel, Taylor, Carmel, Ruby

We are fortunate to have friends from all over the world that believe in our work. Our friends, our supporters are the lifelines that make this work possible. This year we were blessed to meet and welcome into the Nelly's House family, Taylor Grissom. Taylor's love and dedication to the children of Haiti, led him to organize the most successful fundraising campaign ever done in the name of Nelly's House. On September 14, 2013, Nelly's House had front row seats at the inspiring Chesapeake Christian Music Festival, in Virginia Beach. Nelly's House wants to thank Taylor and his team for believing in Nelly's House and for the sacrifices they made to secure funding, so we can continue to Feed, Improve and Grow. God Bless you Taylor and Thank you!
