First and foremost, I want to thank you for pledging your support to the Mike Garcia Scholarship. Your donation will impact many first-generation college bound students. Janitors across California work hard every night to keep offices clean and safe for tenants and office workers across the state. The majority dream of their children attending college, but unfortunately the increasing cost of tuition prevents many families from providing the financial support needed for their children to attend college. This year, the Mike Garcia Scholarship in partnership with Building Skills Partnership awarded more than \$30,000 in scholarships to deserving college bound students (pictures of the awards luncheon for Los Angeles scholarship recipients: <https://flic.kr/s/aHskiHDZc4>).

Immigrant families now and throughout the history of this country strive to build a better life for their children and future generations. This is the fabric of America and this is the top priority and purpose which drives our members' lives. So as I turn to the next phase of my life, after retiring from the Union, I can't think of a better use of my time than to help as many of our members' children with the financial assistance needed to attend college and reach their dreams. **Their dreams are our dreams.**

On Friday, February 5th, 2016, Building Skills Partnership will host the Second Annual Mike Garcia Legacy Scholarship Gala and I ask that you join me in investing in the future of these students. This is why I am asking for you to support the Mike Garcia Scholarship. Your contribution to this scholarship fund will help provide the financial support to students who demonstrate a dedication to succeeding in spite of the multiple barriers they face.

Please join me with a gift to the Mike Garcia Scholarship. Your contribution will make an enormous difference in the lives of these deserving students.

We are poised to make this one of the most successful fundraising years! I hope you take the time to invest in our worthy cause and encourage your colleagues to do the same. If you have any questions, please feel free to call Luis Sandoval, BSP's Development Manager, at (213) 284-3814.

I thank you again for your leadership and dedication to serve.

Best wishes,

Mike Garcia
