Celebrating US Veterans in Honor of the 15th Anniversary of 9/11

Bloomfield Hills, MI- Aug. 11, 2016-American House Senior Living Communities, in partnership with the United Shore Professional Baseball League, invites all to honor an extraordinary group of men. The Louisville Slugger Warriors, wounded veterans and a highly-decorated nationally recognized softball team, will take on the Detroit Connection during the American House All-Star Game at Jimmy John's Field on Saturday, September 10 at 1p.m. Tickets are \$5 and can be purchased at the Jimmy John's Field box office or online [here](#).

The lineup will feature both U.S. military veterans and active duty personnel who enlisted after the 9/11 attacks. Most team members have suffered service-connected, permanent injuries. These extraordinary players are athletic and competitive, using the latest prosthetic technologies.

"To have the ability to share the field again with my brothers especially on the 15th anniversary on the tragic events of 9/11 is truly an honor. There's no better way to show our love for this country than for our active duty, veterans, and civilian population to get together for some friendly competition. I want to thank everyone at American House and in Metro Detroit for making this possible", said infielder Sgt. Leonard Anderson who served in Afghanistan."
