

# Domaine des Marrans Fleurie

*Domaine des Marrans is located in Fleurie, at the heart of the Beaujolais region. Jean-Jacques took over his father in 1970, on the Clos du Pavillon in Fleurie. They now have 20 ha, with 6 appellations.*

*In 2008, Mathieu joined his father and brought 1 ha of Chiroubles and 2ha of Morgon to the Estate. He studied oenology and spent two years as a wine maker in Australia and New Zealand. The vineyards are pampered year-round with a single goal: producing the best grapes with the least intervention on the vineyards.*
