Winter Garden MusicFest is produced by the Winter Garden Heritage Foundation. The WGHF mission is to "preserve our heritage and architecture while creating new cultural experiences." The WGHF operates the only two museums in the area, both within walking distance of one another. Both are FREE to the public thanks to our community and corporate partners and volunteers. Over 43,000 people visited our museums and attended our events last year. Over 20,000 school children have participated in our Education Programs since 2002. Proceeds from this event will help fund our organization and its programs.
