For the Robot Lover

OZOBOT EVO

The Ozobot EVO replaces solitary screen time with endless opportunities to play, create, connect and chat with friends. It comes enabled with Bluetooth Smart and regular app and firmware updates. And unlike other robots, EVO is continually enhanced with new content, features, and ways to create both in the classroom and at home. We believe that the Ozobot EVO is the best way that children can learn how to code and hack, while at the same time, have a robot that drives their imagination.
