§ 91.08 CLASSIFICATIONS OF DANGEROUS AND VICIOUS DOGS

The determination of dangerous and vicious dogs in Pike County shall conform to the standards of the current edition of the State of Georgia’s “Responsible Dog Ownership Law”.

- (A) Upon receiving a report of a dog believed to be subject to classification as a dangerous dog or vicious dog within the Animal Control Officer’s jurisdiction, the Animal Control Officer shall make such investigations as necessary to determine whether such dog is subject to classification as a dangerous dog or vicious dog.
- (B) When the Animal Control Officer determines that a dog is subject to classification as a dangerous dog or vicious dog, the Animal Control Officer shall send a dated notice by certified mail to the dog’s owner or custodian within seventy-two (72) hours of the determination. Such notice shall include a summary of the Animal Control Officer’s determination and shall state that the owner or custodian has a right to request a hearing from the Authority on the Animal Control Officer’s determination within fifteen (15) days after the date shown on the mailed notice. The notice shall also provide a form for requesting the hearing and shall state that if a hearing is not requested within the allotted time, the Animal Control Officer’s determination shall become effective for all purposes under this Ordinance.
- (C) When a hearing is requested by the dog owner or custodian in accordance with 91.07 (B) of this Ordinance, such hearing shall be scheduled within thirty (30) days after the request is received; provided, however, that such hearing may be continued by the Authority for good cause shown. At least ten (10) days prior to the hearing, the Authority shall mail the dog owner or custodian written notice of the date, time, and place of the hearing. At the hearing, the dog owner or custodian shall be given the opportunity to testify and present evidence and the Authority shall receive other evidence and testimony as may be reasonably necessary to sustain, modify, or overrule the Animal Control Officer’s determination. If a custodian requests a hearing for a dog under their care, they shall hereafter be considered the “owner” of the subject dog. Failure to acknowledge ownership shall result in the subject dog being classified as a “stray” dog, which shall be subject to the procedures outlined in Section 91.08(I).
- (D) Within ten (10) days after the hearing, the Authority shall mail written notice to the dog owner of its determination on the matter. If such determination is that the dog is a dangerous dog or a vicious dog, the notice of classification shall specify the date upon which that determination shall be effective. If the determination is that the dog is to be euthanized, the notice shall specify the date by which the euthanasia shall occur.
- (E) A Superior Court Judge may order the euthanasia of a dog if the Court finds, after notice and opportunity for hearing as provided by Section 91.07 (C), that the dog has seriously injured a human or presents a danger to humans not suitable for control under this Ordinance and:

- (1) The owner of the dog has been convicted of a violation of any State criminal law and the crime was related to such dog; or
 - (2) Any local governmental authority has filed with the Court a civil action requesting the euthanasia of the dog.
- (F) A dog that is found, after notice and opportunity for hearing as provided by Section 91.07 (C) and (E), to have caused a serious injury to a human on more than one occasion shall be euthanized; provided, however, that no injury occurring before July 1, 2012, shall count for purposes of this Section.
- (G) Dogs with no documented owner or custodian shall not be provided a hearing, and the original determination by the Animal Control Officer shall remain effective. Dogs with no documented owner or custodian that are determined to be dangerous or vicious shall be euthanized by a licensed veterinarian under the direction of the Animal Control Officer, and at owner's expense. It is the responsibility of every dog owner or custodian to properly document their dog as a pet. Per definition, every dog that runs at large and does not properly display ownership documentation is a stray.
- (H) All euthanizations shall be at the cost of the owner or custodian of the dog(s).
- (I) Any dog classified prior to July 1, 2012, as a potentially dangerous dog in this State shall on and after that date be classified as a dangerous dog under this article. Any dog classified prior to July 1, 2012, as a dangerous dog or vicious dog in this State shall on and after that date be classified as a vicious dog under this article.
