

# RXT-X 300

## 2017 PERFORMANCE RXT-X 300

Built for large bodies of water, rougher conditions, with the 300-hp Rotax 1630 ACE engine and Ergolock system. Your legs “lock in” to the machine for added control. Experience performance riding and go from 0-60 mph (0-96.6km/h) in 3.8 seconds.

**RIDER CAPACITY**   
 Weight capacity 600 lb / 272 kg

**DIMENSIONS**

Fuel capacity	15.9 US gal / 60 l
Length	139.2" / 353.5 cm
Width	48.2" / 122.4 cm
Weight (dry)	914 lb / 415 kg
Storage capacity	42.8 US gal / 162 l

**ENGINE**

Type	Rotax 1630 ACE
Intake system	Supercharged with external intercooler
Displacement	1,630 cc
Cooling	Closed-Loop Cooling System (CLCS)
Reverse system	Electronic iBR®
Starter	Electric
Fuel type	87 octane – minimum 91 octane – recommended

Lava Red & Monolith Black Satin   
 White & Dayglow Yellow 

**iTC** / **iBR** / **S<sup>3</sup>** / **CLCS** / **ECO** 

**HULL**

Type	S <sup>3</sup>
<ul style="list-style-type: none"> <li>Longer platform</li> <li>Rough water inspired deep-V hull</li> <li>Stable and predictable</li> </ul>	

ROTAX® 1630 ACE™ ENGINE

ERGOLOCK™ SYSTEM

ADJUSTABLE REAR SPONSONS

TILT STEERING

X-GAUGE WITH BOOST INDICATOR

FORCE PULLOVER PFD X-TEAM NEOPRENE RIDING JACKET (OPTION)

### ENGINE

1,630 cc four-stroke, Rotax with three cylinders in-line and four valves per cylinder

The most powerful Rotax engine ever has a maintenance-free supercharger with an external intercooler and the Advanced Combustion Efficiency (ACE) technology, delivering high efficiency and amazing acceleration.

iTC™ (Intelligent Throttle Control) system

Operating electronically, this advanced throttle system starts you in neutral for easier dockside starts. It also features activity-specific Touring, Sport and ECO™ modes that can all be set to accommodate your riding style. The result is a more responsive, more intuitive ride.

iControl® Learning Key®

The programmable Learning Key allows you to limit the performance of the PWC based on rider skill-level.

D-Sea-Bel™ system

Combines a series of resonators and vibration-absorbing components to make Sea-Doo watercraft some of the quietest on the water.

Closed-Loop Cooling System

Uses coolant to keep the engine running at the ideal temperature, much like a car's radiator. Also keeps out corrosive saltwater and debris.

### FEATURES

iControl

The “Brain” that integrates and controls all systems to create the best possible ride.

S<sup>3</sup> Hull®

Stepped, stable & strong. The stepped design reduces drag and keeps you glued to the water.

Touring mode / Sport mode

Offers a choice between two throttle responses for different riding styles. Touring mode is the default setting offering a more progressive acceleration curve for a more confident ride – ideal for cruising and 2-up riding. Sport mode can be easily activated using the Sport button. It provides all acceleration performance for a more aggressive throttle response.

ECO mode

This iTC function automatically determines the most economical power delivery and sets the optimal RPM for greatest fuel economy.

Ergolock system

Combination of ergonomic features allow amazing control while cornering with less upper body fatigue. It features a narrow racing seat with knee grab design, adjustable handlebars and angled footwells that allow you to “lock in” when cornering hard. This results in faster turns and more time on the water.

High-performance VTS™ (Variable Trim System)

The VTS adjusts the angle of the nozzle to change the behavior of the watercraft and improve parallelism to the water. The high-performance VTS provides pre-set positions for quick settings.

Ski tow eye

For easy and secure attachment of ski rope.

RF D.E.S.S.™ Key

With radio frequency technology and a ball-and-socket design, the Digitally Encoded Security System (D.E.S.S.) key provides riders with easy and quick starts every time.

Off-Throttle Assisted Steering (O.T.A.S.®)

Provides the operator with additional steering effect in off-throttle situations for greater maneuverability.

Interactive Multifunction Digital Information Center

VTS preset, Fuel consumption instant & average, Fuel level, Tachometer, Speedometer, Hour meter, Compass, Clock, Touring mode, Sport mode, ECO mode, F-N-R indicator and more.

Handgrips with palm rest

Swim platform carpet with Sea-Doo logo

Bumpers

Rear grab handle

Wide-angle adjustable mirrors

Seat strap

Large front storage compartment

Quick latch fuel filler design

Watertight, removable storage bin

Dual drain plugs

Hinged seat

Flush kit

Tilt steering

Emergency floating lanyard

Footwell carpets with Sea-Doo logo pattern

Operator's guide, instructional video and booklet

### PROPULSION SYSTEM

iBR (Intelligent Brake & Reverse) system

First and only true brake on a watercraft recognized by the U.S. Coast Guard for improving boating safety since 2009. Now in its 2nd generation, the intuitive and improved iBR allows you to stop close to 160 feet sooner<sup>1</sup> for greater peace of mind. All with the squeeze of a lever. And with its electronic reverse, it gives you a level of maneuverability that makes docking easier.

Stainless steel impeller

Delivers improved acceleration, higher top speed and less cavitation.

### X PACKAGE

X-Handlebars with A.E.S.™ (Adjustable Ergonomic Steering)

The only fully adjustable handlebar in the industry. With A.E.S. the rider can adjust the handlebar width and grip angle for a fully customized ride.

X-Gauge with boost indicator

Shows the boost pressure in real-time from minimum (idle) to max boost pressure (open throttle) at all times so the rider knows the engine load condition.

Adjustable rear sponsons

An efficient design that improves lateral stability. 3-position adjustable for your skill level and riding environment: higher for a more playful free-ride experience or lower for more aggressive turning. Winglet feature enhances lean angles during turning.

Additional gauge functions

Time / Distance to empty, Top / average speed / RPM, Lap timer, Engine temperature.

X-Coloration

### OPTIONS

- Reboarding Ladder
- Retractable Ski Pylon
- Wakeboard Rack
- Depth Finder
- Ski Module
- Sea-Doo Speed Tie™
- Dry Bag
- Glove Box Organizer Kit
- 12-Volt Outlet and Installation Kit
- Safety Equipment Kit
- Bilge Pump Kit
- Sandbag Anchor
- Fire Extinguisher
- Snap-in Fenders and Installation Kit
- Sea-Doo Move Trailer
- Watercraft Cover

### WARRANTY

BRP limited warranty covers the watercraft for one year.
