7.2 VCFL Roster Verification Rules

VCFL Handbook

Licenses, Citizenship papers, official court orders, certification of birth certificates (with file number), baptismal certificates and Care Cards that show birth date are acceptable proofs of age. There can be no exceptions to this rule by VCFL Executive unless approved by Majority Resolution.

- b)** Who can verify. Only authorized persons (President, Vice President, or Registrar) shall verify a player on the Official Team Roster. The Association Registrar is authorized to verify a player. This verification shall be subject to overview by the VCFL at the request of the President or VCFL Majority ruling. Exception is the Bantam and Midget integration; they are subject to the Current VCFL Handbook.
- c)** Removing Players from roster. If a player is no longer on the team, the name shall have a single line drawn through it. Any name that is crossed off an Official Roster is off for the season after Frozen Rosters.

7.3 Frozen Rosters

The rosters for each team will be frozen 11:59 p.m. on September 30. The Frozen Roster will become the official Roster for the remainder of the year. Each Association must ensure that one copy of the frozen roster for each of its teams is received by the VCFL office by midnight of the approved date (delivery by email to the VCFL Secretary, VCFL Commissioner, or other member of the VCFL Executive may be acceptable if approved by notice in writing from the VCFL Executive to the Association Presidents). Failure by an Association to provide the frozen rosters as required may result in forfeiture of further games until rosters have been accepted by the VCFL Executive. A player who is not on a frozen roster for a team after the designated date is ineligible for that team.

7.4 Playing of Ineligible Players

Playing of ineligible players will result in the forfeiture of the game in which the ineligible player participated (including any player on a roster who is not otherwise listed as not playing in the game due to absence, injury, discipline, or illness). Any Association that fails to comply with this rule will be dealt with by a special committee, appointed by the VCFL President and may be subject to sanctions, including but not limited to fines or other penalties. Recommendations of this committee will be final, and there will be NO appeal.

Equipment issued to the Moving Player by the Previous Association must be turned in to Previous Association prior to registering with another Association. When equipment is turned in, it is to be in good condition. Failure to comply with this rule makes the player(s) ineligible to play for the New Association.
- b)** The rationale for this rule includes the financial protection of the Previous Association to help avoid loss by reason of the Moving Player (or his or her parents as applicable) failing to return equipment in good condition or pay money due to the Previous Association. Accordingly, the Previous Association must not unreasonably refuse to provide or delay providing the requested release to the Moving Player. If all equipment has been returned in good condition and all amounts properly due to the Previous Association have been paid by or on behalf of the Moving Player, a VCFL release form must be issued in a timely manner to release the Moving Player from the Previous Association.

NOTE 2: A one Game suspension = one played VCFL game (whether a regular season or playoff game).

- e) Discipline above these minimums will be at the discretion of the VCFL (which discretion may be exercised by the VCFL Commissioner) and may be appealed as per PART 17.
- f) All 3rd offences will be automatically reviewed by the VCFL Executive or a panel appointed by the VCFL Executive. The VCFL Appeal Policy (see PART 17) is available for all 3rd offences.
- g) WHENEVER POSSIBLE AND PRACTICAL IN THE CIRCUMSTANCES OF A GAME (as determined in the discretion of the head official including a consideration severity of the conduct or player safety), the head official should in the first instance give a player a 3 play warning and send that player to the player's team bench before invoking an offence for conduct during a game that is expressly covered by the examples of the categories set out under Levels One, Two or Three above.
- h) If the VCFL President, the VCFL Commissioner, VCFL Head Coach or other person, committee or other body or entity (in each case the "Decision Maker") having jurisdiction with respect to a Level One or Level Two offence determines that the circumstances of the incident if confirmed would or could result in a suspension or other sanction that exceeds what is stipulated as an automatic minimum for the offence pursuant to this Handbook then the following procedure will apply:
 - (i) The Decision Maker will provide in writing a copy of the official complaint in respect of the incident giving rise to the infraction to the VCFL Secretary and to the VCFL President (if the VCFL President is not the person having jurisdiction with respect to the application of suspensions or other sanctions regarding the incident);

 - (v) If the circumstances are such that this policy will not allow a timely conclusion or determination, or if the circumstances are such the Respondent cannot (for valid and good faith reasons) provide a response within the time stipulated in this policy, the Decision Maker may, in its discretion acting reasonably, direct that the timeline be revised.
 - (vi) If a response on behalf of the Respondent is not provided within the time stipulated, the Decision Maker may proceed with the determination or decision in the absence of a response from or on behalf of the Respondent.
 - (vii) If a response on behalf of the Respondent is provided within the time stipulated, the Decision Maker will proceed with the determination or decision including consideration of the response from or on behalf of the Respondent
 - (viii) The purpose of this policy is to provide a timely conclusion or determination regarding less serious offences while providing a Respondent with an opportunity to make

submissions in the event that potential suspensions or sanctions may exceed an automatic minimum. This policy does not preclude the Decision Maker from seeking a response or submissions from the Respondent or others in any circumstances nor does it preclude any rights of appeal otherwise available pursuant to this Handbook.
