

# Joey's Motorcycle Ride for Autism

RE: 2ND ANNUAL MOTORCYCLE RIDE FOR AUTISM

*The Second Annual Motorcycle Ride for Autism* will be held on **June 23, 2013**. We ask for your donation and support for *Autism Speaks*. All proceeds are going to *Autism Speaks* for Joey's Team to help kids & families affected by Autism.

For those of you who are not familiar with *Autism Speaks*, their goal is to change the future for all who struggle with autism spectrum disorders. They are dedicated to funding global biomedical research into the causes, prevention, treatments, and cure for autism; to raising public awareness about autism and its effects on individuals, families, and society; and to bringing hope to all who deal with the hardships of this disorder. They are committed to raising the funds necessary to support these goals.

*Autism Speaks* aims to bring the autism community together as one strong voice to urge the government and private sector to listen to our concerns and take action to address this urgent global health crisis. It is our firm belief that, working together, we will find the missing pieces of the puzzle.

This cause is very close to my heart; my nephew is autistic so I witness the struggle his family must endure first hand. Hopefully; we can help change the future for all who struggle with Autism.
