

## HERstory

a LIFEchurch Women's Retreat  
October 10-11, 2014, at the Lc building

**Jill Mursewick** has been in leadership in the Church for over 25 years. Her passion is to see people have an intimate relationship with God. She has ministered to many individually and in small- and large-group settings through personal prophetic ministry, teaching, training, and leading people into personal encounters with God. Jill works full-time as a registered nurse in a corporate setting. She is a newlywed of three years, to the love of her life, Ron, and the mother of two amazing teenagers, Adam and Natalie.

**Kristy Heffner** and her husband, Wayne, have been married for over 30 years and are the parents of 3 children in their 20s, all in various stages of launching into life. She is a teacher at heart, and is currently working as the principal of an elementary school. A LIFEchurch member, Kristy oversees the Sunday morning nursery ministry.

**Rose Irlbeck** is an Iowa girl but her heart is scattered all over the world. Her life changed dramatically with her first trip to Mozambique, Africa, when her passion for the nations was uncovered. She gave up her corporate banking life and returned to

Africa 3 years ago for an international mission school before embarking on a 14-month mission journey through Latin America. She is volunteer staff for Chi Alpha Campus Ministry at the U of I and is preparing to lead a missions team from LIFEchurch to Calcutta, India, in December. Rose works in an administrative role at both a hospital and a real estate office and is also studying nursing. She loves music, the color orange, and taking the back roads..

**If** we pay attention to our stories, it's hard not to miss the divine thread running through each one. We've all struggled, suffered, and grieved. We've all celebrated, rejoiced, and started over again. But the best part about our stories is that, even when we're in the thick of crisis, our endings haven't been written yet. And our stories become God's stories as we allow him to shape our hearts with His love, rewire our thinking with His truth, and fill our minds with hope for the future. We invite you to join the LIFEchurch women as we spend time worshiping, praying, having fun, and sharing our stories and His stories with one another.
