

Do you see BACTERIA

...and it's costly effects?

Bacteria causes disease and illness. This affects your calves and heifers, as well as your bottom-line. Don't let disease spread -- protect your herd from harmful substances, including bacteria, spores, viruses and fungi. Use Exspor for **FAST & EFFECTIVE** cleaning of feeding equipment.

Exspor

CHLORINE-DIOXIDE DISINFECTANT/STERILANT

EXSPOR can be foamed
or sprayed!

Use **Exspor** on:

- Calf hutches
- Calf bottles
- Calf nipples
- Calf buckets
- Parlor/milk room walls
- Drains and more!
