Member Notes

Craig is a great guy and we built a beautiful 2 tiered deck off his back patio.

If you don't have time that month to fill it out, DON'T WORRY we will still post GREAT LOCAL features!

Contracted to have a cover for our deck in early July. Wasn't installed until the middle of August. Reported leaks; took 2 weeks to come out to fix them. It still leaks (just a little) and the down spouts pour water right next to the house where it pools outside the basement. 22 days ago (Sept 4) they said they would fix those things "next week." Today is Sept 26: no fix, no communication. I guess I have to write a scathing review on

You need to know this is being said!

communication is terrible (but the cover does LOOK very nice and they are very polite).

We will let you know if we see anything online and give you direction on how to Handle it! The post on this page was addressed within 24 hours and reversed to a positive response!
