I'm Going to Nationals Again!

A lot has happened since my first newsletter

In solo ice dance, I won in Tacoma, San Jose and Ontario, and tied for first in San Diego. After three wins, I was automatically invited to Nationals in Colorado Springs this September. I will probably compete one more time in Anaheim so I can keep improving. I really want to make final round at Nationals.

In freestyle skating, I got my wish. Sondra let me move up a level after I won in San Diego. I tried my new routine with the harder jumps and spins in Ontario and got third place. Since then, I have made a lot of progress with my jumps, spins and my routine. I have three of my double jumps and I am working on double-double combinations. I can't wait to show everyone my progress in Anaheim next month! I am still looking for a boy I can partner with for ice dance. I am practicing a lot with some older boys so I can be ready when the right partner comes along!!

In my next newsletter I will tell you the Anaheim competition and Nationals. Please check [my web site](#) for lots more details.

Thank you for supporting me!!
