<b>Color Key to Activity</b>	<b>Insect activity conferred by:</b>
= Control	Trait, Insecticide 250 rate, or multiple
= Suppression	Trait, Insecticide 250 rate, or multiple
= No Control	NC = No Control

This stewardship statement applies to all products listed herein except Genuity™ SmartStax™, Genuity™ VT Double PRO™, and Genuity™ VT Triple PRO™ Corn. See restrictions related to Genuity™ SmartStax™, Genuity™ VT Double PRO™, and Genuity™ VT Triple PRO™ Corn below:

**Monsanto Company is a member of Excellence Through Stewardship® (ETS).** Monsanto products are commercialized in accordance with ETS Product Launch Stewardship Guidance, and in compliance with Monsanto's Policy for Commercialization of Biotechnology-Derived Plant Products in Commodity Crops. This product has been approved for import into key export markets with functioning regulatory systems. Any crop or material produced from this product can only be exported to, or used, processed or sold in countries where all necessary regulatory approvals have been granted. It is a violation of national and international law to move material containing biotech traits across boundaries into nations where import is not permitted. Growers should talk to their grain handler or product purchaser to confirm their buying position for this product. Excellence Through Stewardship® is a registered trademark of Biotechnology Industry Organization.

**IMPORTANT: Grain Marketing and Seed Availability: Genuity™ VT Double PRO™** has received the necessary approvals in the United States, however, as of [date of printing], approvals have not been received in certain major corn export markets. **Genuity™ VT Double PRO™** will not be launched and seed will not be available until after import approvals are received in appropriate major corn export markets.

**IMPORTANT: Grain Marketing and Seed Availability: Genuity™ SmartStax™ and Genuity™ VT Triple PRO™ Corn** have received the necessary approvals in the United States, however, as of December 14, 2009, these products are in the final administrative approval process for import into a key export market. Any crop or material produced from these products can only be exported to, or used, processed or sold in countries where all necessary regulatory approvals have been granted. It is a violation of national and international law to move material containing biotech traits across boundaries into nations where import is not permitted. Growers should talk to their grain handler or product purchaser to confirm their buying position for these products.

**B.t. products, including Genuity™ SmartStax™, Genuity™ VT Double PRO™, and Genuity™ VT Triple PRO™ Corn,** may not yet be registered in all states. Check with your Monsanto representative for the registration status in your state.

**ALWAYS READ AND FOLLOW PESTICIDE LABEL DIRECTIONS.** Roundup Ready® crops contain genes that confer tolerance to glyphosate, the active ingredient in Roundup® brand agricultural herbicides. Roundup® brand agricultural herbicides will kill crops that are not tolerant to glyphosate. Acceleron and Design™, Genuity™, Genuity and Design™, Genuity Icons, Roundup®, Roundup Ready®, Roundup Ready 2 Technology and Design™, SmartStax™, SmartStax and Design™, VT Double PRO™, VT Triple PRO™, YieldGard®, and YieldGard VT Triple® are trademarks of Monsanto Technology LLC. Ignite®, LibertyLink® and the Water Droplet Design®, and Poncho® are registered trademarks of Bayer. Herculex® is a trademark of Dow AgroSciences LLC. Respect the Refuge® and Respect the Refuge and Corn Design® are registered trademarks of National Corn Growers Association.
