OREGON GROWN ORCHIDS

HOBBY COMMUNITY POTS – SUMMER SPECIAL

The following hobby community pots contain 10 plus or minus vigorous growing seedlings ready to pot up to individual 2" and 2.25" pots. They are in limited supply.

**HP173 Paph. Shockwave 'Hillsvie' HCC/AOS
x John Hainsworth 'Pinot Noir' AM/AOS**

Leading edge complex reds are hard to find. Here we bring together the best we have for advanced all red complex.

Hobby Community Pots \$ 75.00

**HP178 Paph. Blockbuster 'Big News'
x Paph. Spotglen 'Doodlebug' HCC/AOS**

Paph. Spotglen 'Doodlebug' has been used to produce so many awarded crosses we are very excited to pair it with the very large spotted rose colored Blockbuster 'Big News'.

Hobby Community Pots \$ 50.00

HP203 Paph. *tonsum* ('Hillsvie' x 'Perfecto')

Wonderful species from Borneo and Sumatra Indonesia. Once quite rare in cultivation we offer a sib cross from a population with great variety.

Hobby Community Pots \$ 50.00

HP211 Paph. Luther Pass 'Royalty'

x Paph. John Hainsworth 'Pinot Noir' AM/AOS

Paph. John Hainsworth 'Pinot Noir' AM/AOS, is one of our best all red flowers.

Two exceptional reds paired together here for outstanding red and all red flowers.

Hobby Community Pots \$ 50.00

HP222 Paph. Garnet Wave 'Big Red'

X Paph. Luther Pass 'Randi' AM/AOS

The Garnet Wave are yet another step toward all red complex slippers. These will be both large and red.

Hobby Community Pots \$ 50.00

HP225 Paph. Keyeshill '#3'

x Paph. California Girl 'Big Bear' B/CSA

Paph. California Girl 'Big Bear' has saturated deep red color crossed with Paph. Keyeshill '#3', expect superb red flowers from this grex. Very tall stemmed flowers.

Hobby Community Pots \$ 50.00

HP226 Paph. Washington Creek 'Mt. St. Helens'

x Paph. California Girl 'Big Bear' B/CSA

Paph. Washington Creek was bred by the Beall Orchid Co. in Vashon Island Washington and is the parent of Paph. John Hainsworth. With California Girl 'Big Bear', expect some fine red complex.

Hobby Community Pots \$ 50.00

HP227 Paph. Shockwave 'Hillsvie' HCC/AOS

x Paph. Luther Pass 'Randi' AM/AOS

Paph. Shockwave 'Hillsvie' HCC/AOS is an exceptional red. Bred here with one of our best Paph. Luther Pass, expect superb reds with great form.

Hobby Community Pots \$ 75.00

**HP254 Paph. Keyeshill - sib
(‘#3’ x ‘Red Beauty’)**

This is a sib cross for more superb Paph. Keyeshill for breeding and show. The Keyeshill have been difficult to find and so why not make more. Look for superb red complex here.

Hobby Community Pots \$ 50.00

**HP255 Paph. John Hainsworth
(Washington Creek ‘Mt. St. Helens’ x John Hanes
‘Oceana’ B/CSA)**

Photos show two selected clones from the original cross. This is a remake looking for more outstanding all red flowers.

Hobby Community Pots \$ 75.00

**HP256 Paph. Innisfree ‘Jade’
x Paph. Spring Gold ‘St. Brigid’**

The Paph. Innisfree are very large green flowers with a white margin on the dorsal, crossed with one of our best Paph. Spring Gold, expect large greens of good quality.

Hobby Community Pots \$ 50.00

**HP276 Paph. charlesworthii
(‘Pink Fan’ x ‘Dark’)**

Paph. charlesworthii ‘Pink Fan’ is from albino breeding. A colored form in a lighter pink shade but with exceptional form. Crossed with a darker red form, the dorsals will be nice, expect lots of color variety in these.

Hobby Community Pots \$ 75.00

**HP-299 Paph. *fairrieaenum*
(‘Radiation’ x ‘Hillsview’ FCC/AOS)**

Again two of our best *fairrieaenum* from two distinct populations for hybrid vigor. Expectations are for some very fine Paph. *fairrieaenum*.

Community Pots \$300.00

**HP-300 Paph. *fairrieaenum* – Sib Cross
(‘Stunning’ x ‘Hillsview’ FCC/AOS)**

Everyone has been waiting for these to be released. There are several crosses involving the dark form of this amazing species from Bhutan and this is the first to be released. Both parents are from the AQ/AOS grex that produced not only an AQ but (6) AM/AOS and one FCC/AOS award.

Community Pots \$300.00

**HP301 Paph. *fairrieaenum*
(album ‘Green Valley’ x ‘Mulino’)**

Two of our best green Paph. *fairrieaenum*, looking for both album and semi album offspring. Both are from the same line of breeding. Expect some very fine album and semi album seedlings.

Hobby Community Pots \$ 200.00

**HP304 Paph. *Razzmatazz* ‘Royal Alert’
x Spring Rain ‘Posh Frock’**

Looking to increase the size of the dorsal and ventral on the all spotted complex by using Spring Rain. Should be some nice spotted petals in this group of seedlings.

Hobby Community Pots \$ 50.00

**HP-305 Paph. Desert Rain 'Ringo'
x Razzmatazz 'Royal Alert'**

We love the spotted Complex Paphiopedilums and this cross should produce some nice dark spotted flowers in sunset shades.

Hobby Community Pots \$ 50.00

**HP306 Paph. Keyeshill '#3'
x Paph. Don Egger 'Web Master'**

The Don Egger's have been such exceptional flowers, the cultivar 'Web Master', is big in every way. We are seeing exceptional vigor in these seedlings, look for superb red complex flowers from this grex.

Hobby Community Pots \$ 50.00

**HP310 Paph. Don Egger – sib
('Webmaster' x 'Kim Chee')**

Sibling cross employing two of our best Paph. Don Egger. For those who missed out on this wonderful cross. Expectations are high for truly good quality reds and spotted reds.

Hobby Community Pots \$ 75.00

**HP318 Paph. Valerie Tonkin (Paph. Hellas
'Westonbirt' FCC/AOS x Stefani Pitta 'Val'
HCC/AOS)**

Remake of an exceptional cross and recipient of the Award of Quality. Expect some very nice flowers.

Hobby Community Pots \$ 50.00

**HP322 Paph. Precocious 'Hillsvie' AM/AOS
x Paph. Jenna Marie 'Sparkle' AM/AOS**

Two of our best spotted red complex. The Precocious has an unusual violet red color. The Jenna Marie had deep red coloration. Leading edge spotted red complex here.

Community Pots \$100.00

HP333 Paph. Luther Pass 'Star Field'
x Paph. Razzmatazz 'Royal Alert'
Looking for spotted petals from this cross
Hobby Community Pots \$ 50.00
