The best start possible for Priory A, enjoying an afternoon in the rain at Crablands and a 10-0 win. All 4 rinks performed well, although Captain Clunky made the strange decision of giving his opponents a 16-2 start. Once he realised the error of these tactics he steered his rink back to win 21-18. Impressively they had a run of 13 consecutive winning ends thrown in for good measure.

Top rink performers were Alan Messer, John Fairs, John Schools and Gary Wyatt. Gary's men won 15 of their 21 ends to show their superiority.
