Last year we managed to whitewash Southbourne, this year they were having none of that and came on strongly throughout the match. On a green which was playing a little difficult in places, only the last few ends gave the win to Priory and in all honesty the match could have swung either way. Priory though were more than happy to pocket the seven points.

After the match both teams shared a most welcome buffet tea in the pavilion. Southbourne's Captain Andy Smith used the opportunity to raise money for his ladies' charity by fining his team for all manner of misdemeanours - which ranged from forgetting

their whites to bringing wets and it not raining??? Even our own Gary Wyatt got a fine!
