

**Email Sent to Runners/Riders/Participants:**

**Information:**

**Packet pick up:**

March 11: 10am-1:30pm Fleet Feet Sports (Huntsville)

AND

March 11: 3:30pm-6:00pm Entrusted Tees (Priceville)

Sorry no other pick-ups please. Packets will be available the morning of registration.

**Where:** 438 Cave Springs Rd. Priceville, Alabama 35603

**Time:** Late Registration table will be open from 7:15 am-8:30 am on location

Race begins promptly at 9am

**RACE DAY INFORMATION:**

Arrive early!

Look for two tables at the registration tent:

1. **Pre-registration table:** if you have already registered (meaning you are receiving this email!) All you do is sign in with this table, they mark your name off the list, you sign Miss Albany's bib, and if you already picked up your packet, you are good to go! If you did not make it to packet pickup on Friday, March 11, then your packet will be at this tent with your race bib already in it!
2. **"Day of" Registration-** this is for NEW sign ups only. T-Shirts are not guaranteed for late sign ups! It is a first come, first serve basis. We have ordered some extras in our best efforts to meet the needs of those projected totals for late registration! You will receive your packet including your bib and any other information at this time! Cut off is 8:30am.

**PARKING:**

Parking is free.

Parking is in the first parking lot the "West side" of the school ONLY (to the right facing the school).

**Handicapped parking ONLY in the front circle with sidewalks and ramps available.**

The event will take place this year on the EAST side of the school (to the left facing the school building). There is no parking available on this side. If you require assistance, there will be parking lot attendants that will provide anything you may need.

#### Restrooms:

This year, unlike the years in the past, we will be using the school. In order to accommodate everyone, there will be entry. It will be accessible on the front of the school building to the left of the main entrance way on the 5th grade hall only. There will be attendants to show you and or assist in any way necessary. Thank you for understanding the need to use one doorway entrance. The safety of our guests is of our utmost importance. No one is allowed entrance into the school building in any other part other than the one part please.

**Fun Run** will begin after the red carpet event this year and be our grand finale leading into awards!

Red Carpet participants that are not 7K participants need to be ready to walk the red carpet no later than 9:50am. We will have all of the princes and princesses along with the fairy godmothers and booth sponsors with activities to keep everyone busy and having fun during that time!

This year we invite you as a runner to participate for free in the fun run and also in the activities of the booths. If you would like to be part of the actual walking of the red carpet "event" where you have your name called out and get a red carpet participant medal, that will need to be a pre-registered online \$10, first come, first serve until the allotted medals are given away. There are 20 spots left as of today, 2/29/16. The participant medals were purchased and are gorgeous and given as gifts to our special guests and we open up the remaining ones to our red carpet participants as donations to the event!

We hope you will enjoy your day and bring friends with you! On Sunday, February 28, we participated in a ribbon cutting for the first installment of playground equipment of a handicapped accessible Merry-go-round at Veteran's Park in Priceville from the past year's race proceeds. Your race fees and donations are going towards making children smile and giggle as they play together with no boundaries. What a blessing the day was.

All information is available at the website and we will be making posts daily to our Facebook page, so like it and check in often!

If you see a Piggy Tail STAFF volunteer, hug their neck and tell them thank you! They have spent a lot of time planning a special day for us!
