

- MASTERCLASSES -

If you are looking for an experience with a difference, look no further - we have everything you need. Our champagne and cocktail masterclasses are innovative and entertaining and can be tailored especially to suit you. Here you will be given a chance to broaden your experience of champagne and cocktails under the expert tuition of one of our masterclass instructors. The classes provide an unforgettable experience for the entire party whilst delivering a great opportunity to entertain or to simply get to know your peers in a relaxed and professional environment.

SOME OF OUR MOST POPULAR MASTERCLASSES INCLUDE:

Cocktail Technique

Here you'll get an insight in to a day in the life of our bar tenders. We travel back in time to the origins of the cocktail and the evolution of the mixed drink right up to the modern day.

As you learn the tricks and techniques behind making your very own mixed drink, step behind the bar and put your newly learned skills in to practice.

£50 PER PERSON
(Maximum party of 8)

Exploring Champagne

Tour the different regions of Champagne and look more closely at the broad range of styles available. You'll see how different grapes, vinification processes, ages and dosage affect the wine. Taste as you learn.

£60 PER PERSON
