“Shebah Sai ‘Ra III calls on Women and Men of Honour and Valour rich or poor, Worldwide whatever the Nation, language, Religion, Politics, or Tribe to join the Arc of Nubia to support THEIR own Home Regions in the Federations’ Pilot Program of this Global Humanitarian Initiative”.

The Pilot Program is based on the PVIIP PRIMARY Program Trans-African Nations Urban & Rural Regions Infrastructural Development Agenda & Duplication support, in all areas where possible, via the Global Arc Chapters Humanitarian Network that is formulated and structured as the PVIIP Primary Agenda support platform, integrated, in part, within the Pilot Program.

Womanpower Leads Project 257 Nations Campaign

The Arcadian Community Women are responsible for the worlds 257 Nations, Kingdoms & Indigenous Nations SIMULTANEOUS Humanitarian Support PILOT Project, “One In Light”, Earth Mother’s VERSUS Poverty Project VII Phoenix Primary pre-agenda. A "Firewall Humanitarian Global Families all-out war, to build as a united front, within the collective possibilities and economic grass-roots community survival “firewall”, to support internal localized efforts, within the 257 Nations, States, District, local Organizations, Kingdoms’ Houses, Indigenous Nations Traditional Leaderships & Global Middle & Lower Financial scale”, in the African Kingdoms Empress Shebah III “War Against Growing Unemployment & Global Poverty, affecting all of Humanity’s Cradle.

A. “Beloved Humanity, I weigh on my own scales, of balance of logic, self-learnt, taught by environment, and honored with Letters of each its scales. You if you know you can support, and so to you the Community, but not lettered in doctor of whatever sort of acceptance scale, you send in your request just as well for that shall be the first that shall be reviewed, this program is for the all so thus, you as well, the Men and Women of Heart.

B. You Mothers that are active or at home, welcome to the Arc, you all are, you go have a look, the Academy is not difficult and we are a family. You can do much and we need you too.
AKF-FOS - 257 Nations Humanitarian ‘ ONE IN LIGHT’ PVIIP Pilot Program

C. You, of the business and corporate Community, we need you as well, for in life, it is greater in harbor when with strength, of Tug and Ship, for success steer.

D. You, the Churches and all Houses of Faith, you as well we so need, to guide your congregation where needed, so we help us help ourselves, so they too stronger stand and that of your church pillars.

E. You, all retired from service, of Humanitarian support, you are desperately needed, to support and advise, on how best the Youth can walk and support the Program with training, in diplomacy, tact and peace, in beat of singular purpose, in our IPRAFPI Mission.

F. You, all the laborers, bless your hearts and bless the farmer’s hands, and all blessed with power of Skills, we do need you, so much.

In short beloved be you who you are of Tree-top to Grass-roots and be you in the undecided lot:

G. or placed in cage or err, all of Heart are welcome to participate, to support YOUR OWN HOMETOWN, Nation and Region, on this Agenda and by us all, in Earth’s lands repeat the same. We will be helping all in Unity start, by a small hand to make Stand.

H. To you the Youth, you I have not place in forget, but purposed the end of that and this the start of the Journey, for it is for you, thus to be done WITH you, and not simply on n-requested behalf. I was once Young and in your shoes looking on my own thoughts will be, “oh dear lord save us from crazy parents and Govies!!!”, which is often with good cause. No one on Earth can deny that accusation in accord and just on scales of active or passive participation. You are Right. Here is a small opportunity, but all I have possible to make the door you need then open, go through, we most definitely need your help! You keep the faith, most precious of resources, on this our Earth, you are our Future, blessed with much, in pride of achievements and talents waiting to become. I ask of you the Youths, take my hand in challenge and let us together change that Status Quo, to one preferred.

I. Join in and do just that by interactive participation and voice, at all levels, as well as opportunity for you that excel, to equally sit in lead to help your District, Region, State or Nation. It is up to you, and your applied ability and gifts of Talent.

J. Teachers we need you in our front line very start, so thus every and all with laptop, or cell, that are reading, you that care to make a change, why not join us in our small way, to do our part in collective unity, there is nothing you can lose, just gain in its’ active exercise, and that of you in Faith in us all, to see it happen” …………Shebah III.

stronger oriented community, and with that by active efforts, supporting each on a National level directly and indirectly our homes and Nations, which THEN gives the possibility, correctness and social responsibility in all fairness to those in need in our immediate surroundings.

➢ With this then and only then can we in moral fairness respect and correctly stand to support and assist any other in need outside our National borders or neighboring Seas.

Priority needs:

Families must be ready to be family communities again and not a community of families in need without hope. They have untapped potential to help self and teach our Children the needed road-map and skills of survival under any situation they may face, by Coming Together as a UNIT Force. This equals a Community.

➢ Families must be ready to join together as Family units to make this program successful so the Family as a collective, by pooling activities, is better assured of first basic needs of Food and Homes. With constitutional community laws for respecting of our environments, i.e. Environmental GGI, protection of our Rivers and Seas are a must because they are critical resources of our unified sustainment should be in greater balance and natural harmony.
