APPRENTICESHIP OPPORTUNITIES BULLETIN [Issue 8] Over 400 vacancies available in and around Plymouth February 2022

Build the future in Plymouth through an Apprenticeship

What better time to think about an apprenticeship than in National Apprenticeship Week 2022 when we will be celebrating the success of our current apprentices and promoting the breadth of opportunities available in and around Plymouth!

Have you left education or will be this summer, wondering what your next move should be? Find out more here www.skillslaunchpadplym.co.uk/youth-hub-apprenticeship

Or you may be feeling uncertain in your current role, facing the risk of redundancy or thinking about re-training into something totally different.

Find out more here www.skillslaunchpadplym.co.uk/adult-hub-secure-an-apprenticeship

Apprenticeships are open to people of all ages, 16 years+. Apprenticeships are real jobs with training, meaning you can earn while you learn and gain a nationally recognised qualification from Level 2 up to degree level, depending on the role you are working towards. Apprenticeship opportunities are available across a diverse range of sectors which means there will be something to suit everyone. The great thing about being an apprentice is you can get your career started/ re-started by gaining new skills through combining hands on experience with qualifications (usually involves one study day a week), and get paid whilst you learn.

Apprentices – Management Trainees Required

Brady Construction Services is a family owned business with a strong team of building industry professionals. We undertake all aspects of construction and have a significant portfolio of public & private sector projects across commercial, residential, retail, industrial, education and healthcare sectors.

We are looking to recruit Apprentices and Management Trainees for our Devon and Cornwall Divisions as part of our working and learning policy to help mentor and develop young people into the Construction Industry.

We are offering the opportunity to train and gain experience whilst engaged in study. The main purpose of the role would be to assist in the provision of the full range of site duties to develop essential skills to become a construction professional.

Initial requirements

- Clean driving licence with own transport
- Minimum GSE results A-C
- Male or female 18 years +

Development Programme

First year:

- Construction Skills Certification Scheme (CSCS) completion within 1 month
- Working on site in a 'Super Person' type role to understand the daily running of the sites and to develop communication skills and technical knowledge, under the guidance of the Site Manager.

After 3 months:

- Break clause to continue or leave
- Trained in the use of telehandler and any necessary plant as the site dictates

After 6 months:

- Break clause to continue or leave
- Complete Site Management Safety Training Scheme (SMSTS)

After one year, evaluate choice of commercial or operational path:

- HNC day release with Plymouth and Cornwall Colleges
- On completion of HNC – further evaluation for further and higher education options.

If you are interested in joining Brady Construction Services as an apprentice or management trainee, please visit our website and complete the online application form www.bradycs.co.uk

Alternatively, please send your CV and a covering letter to Jeanette Brady, Director at our Cornwall Office.

CONSTRUCTION AND THE BUILT ENVIRONMENT: TECHNICAL/MANAGEMENT

Trainee Site Manager

Higher Level Apprenticeship

We are seeking a motivated and committed candidate to start a career as a Trainee Site Manager in the Plymouth area on the Level 4 Construction Site Supervisor Apprenticeship.

Our ideal candidate

We are looking for someone who enjoys being outdoors, has excellent communication, leadership, and teamwork skills as well as attention to detail, initiative, and who is good at planning and organising. You should be at least 18 years old and able to work safely and responsibly. You will also need to demonstrate an enthusiastic approach to work and college studies and have a keen interest in the construction industry. As the apprenticeship includes a level 4 qualification, you will also require a Level 3 Qualification (i.e. A Levels or BTEC National Diploma) and GCSE Grades 4 to 9 in Maths, English and Science.

Skills we are looking for

- Organised; Motivated; Positive; Punctual
- Enthusiastic approach to work and college
- Ability to communicate to a variety of people
- Able to work as part of a team as well as use own initiative
- Keen interest in the construction industry - previous experience/qualifications useful but not required
- Own transport - an advantage but not a requirement

The role

As a Trainee Site Manager, you will be working with the main contractor and sub-contractors on a construction site, interacting with estimators, surveyors, and others whilst learning all aspects of running a safe and productive building project. You will be supporting the project management team with supervising construction workers, and trained to oversee health and safety, to measure and record progress, monitor quality, conduct site inspections and attend a variety of meetings with the site manager. To find out more about the role of a Trainee Site Manager, take a look at the Go Construct website - <https://www.goconstruct.org/>.

Employer

You would be on-site with a contractor whilst employed by us at Shared Apprenticeships. Before you start, we will ensure that you are site-ready with PPE, a CSCS card, and appropriate health and safety training. We then provide you with continuous local employment and guarantee you the opportunity to complete your apprenticeship with one or more of our host contractors. In addition, we pay up to £25 per week towards your travel costs and will reimburse you the cost of your NUS Apprentice Extra discount card. We also allocate you a dedicated mentor to help and guide you throughout your apprenticeship with us.

Training

This Apprenticeship is delivered at college and includes a Level 4 qualification in 'Construction and the Built Environment'. In the first year of your studies, you will gain a solid base in health, safety and welfare, sustainability in construction and construction technology. During the second year, you will focus on the specialist knowledge required to become a site manager including project management, planning and organising work, and monitoring quality and costs.

How to apply: If you are ready to start your career in construction, apply now! Please send your CV to contactus@sharedapprenticeships.com or visit www.sharedapprenticeships.com and complete the online application form.

KICKSTARTS AND TRAINEESHIPS EXPLAINED

Kickstarts and Traineeships are targeted solely at 16-24 year olds whereas apprenticeships are for any age over 16 years.

Traineeships

An opportunity to become work ready for **16-24 year olds**.

A traineeship is an education and training programme with quality work experience. Traineeships can unlock the great potential of young people and prepare them for their future careers by helping them to become 'work ready'. Designed to help young people aged 16 to 24 who don't yet have the appropriate skills or experience, traineeships provide the essential work preparation training, English, Maths and work experience needed to secure employment or be more ready to start an apprenticeship. Traineeships normally run between 6 weeks – 12 months.

The offer locally in and around Plymouth will be expanding over coming months given the Government's recent announcement for further investment in Traineeships to support young people. There are currently local traineeship opportunities available which cover the following sectors: Construction, Business, Hairdressing, Childcare, Beauty and Health, Catering, Hospitality, and Health and Social Care.

Kickstarts

Are you a young person aged between **16 and 24**?

Are you on **universal credit**?

The Kickstart Scheme is a 6-month paid job placement with a local employer, funded by the Government. It provides a fully funded opportunity for you to get experience of working in a local business and gain access to skills.

These high-quality placements will give you the best chance of getting on and getting a job. Talk to your work coach to find out more about local Kickstart placement opportunities and for help to apply.

GRADUATE AND INTERNS

All careers are built up in steps and this part of targetjobs.co.uk covers the first stages in choosing a graduate career and seeking out your first job after graduation.

It's all about getting ideas about jobs by knowing your career options, exploring your skills and understanding your motivation, and then, of course, knowing where to look for graduate opportunities. Dip in, whatever stage you're at.

Even if you feel you're up against a wall having left graduate job hunting and career plans a little late or are struggling to find your next step due to the economic impact of Covid-19, covering the basics is the best way to boost your confidence and get back on track.
