**Please tell me a bit about yourself and your interests. For example:
your background in art, science, or other field; your interest in scientific illustration
(professional or personal goals in this field; hobby; improve skills).**

What Session are you interested in? (I, II, or III. Note: Session IV is reserved for those enrolled in the full program.)

Do you have questions?

Once I receive your application, we will communicate through email and discuss placement and payment options. Please do not send payment at this time.
