General Information for

Recognized Poomsae: Cut off system

Every running Poomsae will be drawn by lot.

In each competition different Poomsae will be run.

Achieved points from the rounds before will not count for the new run.

The Poomsae have to be presented in the same order as they were drawn.

After that (starting not later than 1 minute after the end of the first Poomsae) the athlete has to start with the second form.

In case there is a tied score after the completion of the final round on the rank 1, 2, 3 or 4, the contestant who is awarded more points in presentation shall be declared the winner. In case the score is still tied, the contestant with the highest total points (including the highest and lowest points) wins. If it's still tied the referee will decide on Poomsae to be performed before the final.

The organizer reserves the right to reduce the number of Poomsae to be performed in the preliminary and the semi final round to one (1) Poomsae. In the final two Poomsae are presented.
