OVERVIEW

From the get go you will be on your feet, moving, playing, reacting and thinking fast. We will break down barriers, create a safe environment for everyone to have fun, where failing is encouraged! We play improv games to learn lessons and challenge ourselves.

You will do a mix of group and partner work, succeed as an ensemble and if you are feeling up to it: do your own improvised scenes in front of your encouraging team!

Yes, And!	Raise the Stakes	One for All
What is it?	What is it?	What is it?
This is the fundamental concept and the core of all teams. Being able to say Yes! We will play, have fun, fail and say Yes to it all. Then add even more.	Heighten offers and create strong relationships and find the truth of the scene. Enjoy bonding with your team while learning how to advance everyone's goals.	The core of any team is working together. Improv is the same, you are working to make your partner and team look the best. We will build scenes, solve problems, and really work on trust.
You Will Learn To:	You Will Learn To:	You Will Learn To:
