

Dear Guest

Hello and warm greetings of the season! May the year of 2012 be one of celebration and joy! Anitha and I are eagerly waiting to meet and greet you on your arrival in Phuket on the 7th of February for the wedding of Dhruthi & Sunil to take place on the 10th of February 2012. We look forward to having a memorable time reinforced by your presence. To begin your travel plans for the wedding, we wish to give you the following advice so that your journey is as smooth and safe as possible. Most of you are frequent travellers and our advice may look routine, however, we wish that you will carefully give it a second look, as there may be a few points that are necessary to observe.

All guests should ensure that they have valid passports (a minimum of 6 months validity) and are requested to arrange visas beforehand in India as the Visa-on-arrival process in Bangkok may cause inconvenience to yourself as well as others. If required, your flight ticket or visa information may be sought from Mr.Nagabushan from Excelsior Travels, Bangalore. He can be contacted on his mobile: +91 9448040365 or email: bushanreddy@hotmail.com.

Guests are advised to bring as little jewellery as possible. There have been incidents in the past where people have been harassed by Customs in both countries. Carrying small quantities however may not be an issue. You may contact your local Customs Headquarters for a certificate granting permission that is valid for all your travel in one year.

The currencies that are advisable to spend in Thailand are either Thai Bahts or US Dollars, and you may plan to bring either, according to your requirements.

Phuket boasts some of the best theatrical shows in Asia and you may go through the brochures provided to choose, or alternatively decide from the internet. Some of the recommended shows are:

- Phuket Fantasea,
- Simon Cabaret (Variety show, safe to take Children along),
- Siam Niramit,
- Thai kick boxing
- The snake and alligator show.
- Genesis- The magic show

However you may contact Mr.Brian, a friend of ours on his mobile: +66 894713555 or on his email: info@phuket-golf-holiday.com now or immediately upon arrival to help you buy your show tickets, probably at a discounted rate. The adventure sports and water sports in Phuket are also a lot of fun. Some of the activities to be enjoyed are, Shooting Ranges, Bungee Jumping and ATVs are available for hire, amongst others. The evenings of 7th and 8th of February are available to all guests to explore Phuket while the whole of 9th and 10th are exclusively earmarked for all of us to spend quality time together. (Refer itinerary)

Thailand has some of the best tailors in Asia, both for men and women and we suggest you make use of this opportunity while in Phuket/Bangkok. (Please refer to the brochure)

Guests who choose to extend their trip and explore Bangkok, need to make their arrangements ahead of their departure to avoid any inconvenience.

The Jungceylon in Patong or the Central in Phuket town are the best malls recommended for shopping. Patong Beach road is also an interesting place to stroll and shop. Phuket has the largest jewellery shop in the world so we suggest all women to be armed and ready with their husbands' credit cards!

Regarding mobile phone, while in Phuket; All guests will be provided with SIM cards so please bring along an extra handset, so that you can keep in touch with your near and dear.

Lastly we would like to know the practicing food preferences (i.e vegetarian, non-vegetarian etc) of you, our guests, especially from 7th to 11th February. . We would appreciate if you could contact us with this information as soon as possible. (Mobile: +91 9845483675 or email: kdhruthireddy@gmail.com)

A brief itinerary is enclosed and we shall intimate you of any further changes.

Do have a look at the website for information that will be continually updated.
