

Advancing Knowledge, Driving Change

JANUARY 2014 INTAKE

Internationally recognized professional certification is a milestone for those who want to stand out in their respective fields as well as giving one the flexibility to apply their expertise anywhere in the world. KCA University invites professionals to register for the January intake for the following certification programs.

<p>CISA® Certified Information Systems Auditor</p> <p>CISA is a globally accepted standard of competency among Information Systems audit, control, and assurance and security professionals. A CISA certification signifies proficiency and commitment to excellence.</p>	<p>Start Date: 11th January 2014</p> <p>Classes: Evening classes 5: 30 – 7:30 pm Mondays – Wednesdays Saturday classes 8: 00 – 2:00 pm</p> <p>Courses offered in; Ecobank Towers, Nairobi Swan Centre, Kisumu</p>
<p>CISM® Certified Information Security Manager</p> <p>The CISM® certification promotes international practices and provides executive management with assurance that those earning the designation have the required experience and knowledge to provide effective security management and consulting services.</p>
