

Special Ops Airsoft is situated in Hollington Woods.

Hollington Wood is on the private road to Wood Farm/Ekeney House/camping - off the A509 just after the Filgrave/Tyringham turning if you are coming from Emberton. Or just past the Sherington High Street turning if coming from Milton Keynes. The postcode is MK46 5JH.

As you approach the corner of the woods look out for a private turning on your left just as the road bends to the right.

Special Ops Banners will be on display. The car park is to your left as you turn into the private road. Some post are all around the turning.

Look out for a sign on the post to direct you to the car park.
