WILDLIFE PHOTOGRAPHY WORKSHOP

April 18, 25 & May 2, 2015

8:30AM - 4:30PM

INTRODUCTION TO THE ART OF WILDLIFE PHOTOGRAPHY

| S.K. Schafer | Tuition \$175

Take your mind and your camera off auto and learn how to better capture wildlife with your camera. If you have always wanted to take better photographs of wildlife and were unsure how to achieve your results this in-depth workshop will help you capture the wildlife images and behavior shots you have always wanted.

Learn the technical skills you need to improve your wildlife photography, including understanding histograms, ISO, Aperture, and Shutter Speed as well as guidelines on when and how to use them effectively to achieve your best exposure. Equipment recommendations will also be discussed.

This workshop is a blend of classroom instruction, animal photo sessions, and field experience at the Clark County Wetlands Park. Each day will end with a classroom discussion and critique of the days images.

Age Limit: Participants must be at least 12 years old.

Requirements:

1. DSLR camera & camera manual (Please be familiar with both)
2. Ability to walk 1-2 mile on even ground
3. Tripod highly recommended

Workshops Size: limited to 16 participants.

Instructor: Sharon K.Schafer

Wildlife artist/photographer Sharon K.Schafer dedicates herself to the creation of images that foster an understanding and appreciation of the beauty and diversity of wildlands and wildlife around the world.
