January 2, 2017

Holiday greetings from the Tanforan Assembly Center Memorial Committee!

As you know, we are working on the permanent memorial to the memory of those who were interned at the Tanforan Assembly Center as a result of Executive Order 9066. That order was signed on February 19, 1942 by FDR, and that date in 2017 will mark the 75th anniversary of this dark day in our nation's history. A component of our Committee's mission is to educate and improve awareness of the incarceration experience, and this milestone anniversary is a unique opportunity to further that awareness. We will be holding an "Evening of Remembrance" on Saturday, February 18th at the Marriott Hotel in San Mateo, CA.

The evening will be emceed by Mr. Mike Inouye, NBC Bay Area Channel 3 News personality, with a program to include:

5:00 PM – No host cocktail hour

6:00 PM – Dinner

7:00 PM – Evening Remembrance Program

- Tanforan: From Racetrack to Assembly Center, a film produced by Dianne Fukami (1994)
